unique contribution to the field Unfinished Learning Kristen J. Amundson, 2022-11-21 COVID related school closures affected all students But for students who needed in person schooling most students with disabilities English learners and students living in poverty the impact was disproportionate and devastating One research calls it the largest increase in educational inequity in a generation Unfinished Learning follows families as they navigate the challenges of virtual learning from figuring out how to log on to a sometimes unstable school platform to ensuring that their child s special education needs were addressed It looks at what data is now showing about which students are and which students are not recovering from learning lost during the pandemic The book also traces the parent activism that arose as a result of school closures It explores two elections that followed close on the heels of school reopenings the 2021 election for governor in Virginia and the 2022 recall of school board members in San Francisco Many of the conclusions drawn by pundits about both those elections do not fit with either the polling or with parent interviews Finally the book offers some suggestions on how schools families and communities can prepare for the inevitable next school closures **Class Lesson Planner** Christian Libery Press, 1994 The CLASS Lesson Planner was designed to meet the particular needs of home educators It thoroughly equips busy parents with practical help in managing their home and school This planner is packed with suggestions for developing lesson plans organizational techniques and forms that permit the homeschooler to be more efficient in school administration and the creation of permanent records Ready for What? M. Elizabeth Graue, 1993-01-01 This book looks at readiness from a different perspective arguing that we must move away from the readiness as child characteristic so prevalent in education and the popular press Instead readiness is explained as an idea constructed by parents teachers and children as they interact in their neighborhoods and communities Graue describes three communities in the same school district a middle class suburban town of professionals a rural working class community and a group of Hispanic working class families making their way through their children s kindergarten experiences In each setting the local meaning of readiness is the underlying theme in the actions taken by parents and their attitudes about their children s first public school experience Mathematizing Your School Nicki Newton, Janet Nuzzie, 2018-09-27 Learn the secrets to getting your entire school excited about math This book from acclaimed author Dr Nicki Newton and experienced instructional specialist Janet Nuzzie shows you how to integrate engaging math instruction at every level from the small group project to the school wide assembly With contributions from math coaches district leaders and classroom teachers this book will give you the practical tools you need to boost student proficiency encourage collaboration between staff members and make math an important part of school life You ll also learn how to Create a safe and inviting environment for mathematics instruction Devote adequate amounts of instructional time to help students develop their skill set as proficient mathematicians Use real world contexts and hands on instruction to boost engagement Give students the tools and opportunities to be confident to question to take risks and to make mistakes And much much more *Morbidity and Mortality Weekly Report* , 2012 **Orange Coast Magazine**

,1998-04 Orange Coast Magazine is the oldest continuously published lifestyle magazine in the region bringing together Orange County's most affluent coastal communities through smart fun and timely editorial content as well as compelling photographs and design Each issue features an award winning blend of celebrity and newsmaker profiles service journalism and authoritative articles on dining fashion home design and travel As Orange County's only paid subscription lifestyle magazine with circulation figures guaranteed by the Audit Bureau of Circulation Orange Coast is the definitive guidebook into the county's luxe lifestyle **Post Report** ,1986 **Saudi Arabia, Post Report** ,1986 Loss and Trauma in the COVID-19 Era John H. Harvey,2024-02-01 The covid pandemic including the covid virus and its complications killed between 3 to 7 million people according to the World Health Organization WHO This unique book includes 19 chapters by an international cast of authors addressing aspects of loss and trauma connected to the virus including covid and posttraumatic stress covid and love covid and bereaved families covid and ageism and covid and world orderliness A central theme in this volume is the attempt by scholars and practitioners to include chapters that can provide hope in the midst of a sense of global darkness that accompanied the burgeoning spread of the virus in 2020 It explores a range of covid related topics that bear on loss and trauma The book is a valuable read for scholars and students researching on and dealing with trauma as well as by practitioners working with clients who have covid related problems The book will also benefit general readers interested in impacts of the pandemic on loss and trauma The chapters in this book were originally published as two special issues in Journal of Loss and Trauma
