Surviving and Thriving in Postgraduate Research Ray Cooksey, Gael McDonald, 2019-06-27 This handbook provides an in depth exploration of the entire journey of postgraduate research in the social and behavioural sciences from enrolment to its culmination in the form of a thesis dissertation or portfolio and beyond It is written in an accessible and example rich style offering practical and concrete advice in virtually all areas It also includes references to additional resources and websites

and each chapter features key recommendations for improving the postgraduate research experience The book addresses not only research related aspects e g supervisors selecting your guiding assumptions contextualising framing and configuring research reviewing literature sampling writing proposals ethics and academic integrity selecting a data gathering strategy surviving your thesis dissertation portfolio examination and publishing but also questions concerning how to integrate manage and balance the research journey in the context of the postgraduate student s broader life world e g skill development and supervisor relations effective time and project management a healthy work life balance maintaining motivation and dealing with criticism The book adopts an explicitly pluralist perspective on postgraduate research moving beyond mixed methods thinking and offers concrete examples from postgraduate students real world experiences

SOCIAL ENTREPRENEURSHIP MOTIVATION SORIN BLAGA,2020-01-01 This research enriches social entrepreneurship motivation theory by suggesting that whichever entrepreneurial path is chosen extrinsic and intrinsic motivations apply yet appear to have different weightings in stimulating intentions to pursue entrepreneurship as well as being inversely related *Teaching and learning in higher education: The role of emotion and cognition* Jian-Hong Ye,Mei Yen Chen,Yung-Wei Hao,2023-07-24 **Data Analysis with SPSS for Survey-based Research** Saiyidi Mat Roni,Hadrian Geri Djajadikerta,2021-06-21 This book is written for research students and early career researchers to quickly and easily learn how to analyse data using SPSS It follows commonly used logical steps in data analysis design for research The book features SPSS screenshots to assist rapid acquisition of the techniques required to process their research data Rather than using a conventional writing style to discuss fundamentals of statistics this book focuses directly on the technical aspects of using SPSS to analyse data This approach allows researchers and research students to spend more time on interpretations and discussions of SPSS outputs rather than on the mundane task of actually processing their data Mindfulness and Education Tamara Ditrich,Bill Lovegrove,Royce Wiles,2017-03-07 With mindfulness initiatives currently highly topical in a range of academic therapeutic and other domains new applications of mindfulness have begun to appear in educational settings This accumulation of twelve research focused papers contributes to the nascent field of mindfulness in education by exploring practical implementations as well as theoretical concerns within a range of educational contexts The contributions in this volume reflect and capture the diversity of approaches to research linked mindfulness programmes being implemented in contemporary education at primary secondary and tertiary levels Ranging across a number of disciplines the chapters contribute to work on mindfulness in psychology education theory and Buddhist studies From the evidence provided here it is shown that the implementation of mindfulness in educational settings is certainly worthwhile while appropriately rigorous research methods are still being developed *The Goals of Sustainable Development* David Crowther,Shahla Seifi,Abdul Moyeen,2017-07-30 This book analyses various aspects of social responsibility corporate responsibility sustainability and governance Rather than focusing narrowly on a single perspective it investigates a number of problems

and scenarios that can all be considered an aspect of one of these fields and shows how they are all related to each other and to the problems and issues facing businesses This approach is based on the tradition of the Social Responsibility Research Network which in its 15 year history has sought to broaden the discourse and to treat all research in these areas as inter related and relevant to business The book collects the best papers presented at the 15th International Conference on Corporate Social Responsibility and 6th Organisational Governance Conference held in Melbourne Australia in September 2016
