Us World Report Top High Schools:

The landscape of school rating systems Benjamin Dalton.,2017-09-28 The rise of the accountability movement in education has resulted in the proliferation of school report cards school ratings and rankings and other kinds of performance reporting for public consumption and policy use To understand the strengths and limitations of school rating systems and the role they play in shaping public perceptions and school improvement practices this paper situates rating systems within the broader field of comparative organizational assessments and neo institutional theory describes school rankings and rating systems in use by states and consumer oriented enterprises and details four aspects of school ratings measurement transformation integration and presentation that affect their use and interpretation

School's Choice Wagma Mommandi, Kevin Welner, 2021 Access issues are pivotal to almost all charter school tensions and debates How well are these schools performing Are they segregating and stratifying Are they public and democratic Are they fairly funded Can apparent successes be scaled up Answers to all these core questions hinge on how access to charter schools is shaped This book describes the incentives and pressures on charter schools to restrict access and examines how charters navigate those pressures explaining access restricting practices in relation to the ecosystem within which charter schools are created It also explains how charters have sometimes responded by resisting the pressures and sometimes by surrendering to them The text presents analyses of 13 different types of practices around access each of which shapes the school's enrollment The authors conclude by offering recommendations for how states and authorizers can address access related inequities that arise in the charter sector School's Choice provides timely information on critical academic and policy issues that will come into play as charter school policy continues to evolve Book Features Examines how charter schools control who gains and retains access Explores policies and practices that undermine equitable admission and encourage opportunity hoarding Offers a set of policy recommendations at the state and federal level to address access related issues

The Detroiting of America John Perry, 2024-09-25 For fifty years Detroit has been shorthand for all that's wrong with urban America crime corruption decay racial tension struggling businesses failing schools a declining tax base and more Since 1950 Detroit has lost two thirds of its population falling from fifth place in the U S just behind Los Angeles to twenty fourth just behind Nashville Between 2000 and 2017 alone its population fell 28% a steeper drop than any other major American city A third of its land now lies vacant or dotted with empty derelict houses The good news is there are unmistakable signs of renewal in Detroit Given a fresh start courtesy of the largest municipal bankruptcy in history followed by heroic commitments to the community from visionary local entrepreneurs Detroit has slowed its rate of population decline stabilized its finances and set out to prove to the world that it's once again open for business

50 Myths and Lies That Threaten America's Public Schools David C. Berliner, Gene V. Glass, 2014-03-07 This book is guaranteed to spark lively debates and critical thinking in any classroom Two of the most respected voices in education identify 50 myths and lies that threaten America's public schools Berliner and Glass argue that

many citizens conception of K12 public education in the United States is more myth than reality Warped opinions about our nations public schools include they are inferior to private schools they are among the worst in the world in math and science teachers should be fired if their students dont score at the national average and on and on With more than a little humor Berliner and Glass separate fact from fiction in this comprehensive look at modern education reform They explain how the mythical failure of public education has been created and perpetuated in large part by political and economic interests who stand to gain from its destruction They expose a rapidly expanding variety of organizations and media that intentionally misrepresent facts Where appropriate they name the promoters of the hoax and point out how their interests are served by encouraging false beliefs Their method of debunking these falsehoods is to argue against their logic criticize the data supporting them and present more credible contradictory data This dynamic book features short essays on important topics to provide every teacher administrator school board member and concerned parent with reliable knowledge from authoritative sources

An Other's Mind Luis Quiros,2011-01-14 An Others Mind is a landmark and brilliant piece of research on Social Policy and its relationship with covert and overt institutional racism Professor Quiros addresses everyday racism in corporate America not for profit agencies and academic settings It is written with a combination of depth and clarity of the haves and have nots He gives clear examples of discrimination oppression and poorly integrated aspects of self and proposes ways we can arrive at a more clear eyed vision of a truly democratic nation His building blocks are historical theories and live case studies of various situations that demonstrate both the tragedies of omission and neglect perpetuated by the elites in our society Quiros passionate and intra psychic experience in conjunction with his detailed research evident in our everyday lives as he presents it is a real eye opener for the United States and its myriad of cultures and people Maria Muoz Kantha PhD LCSW is an activist educator and Mental Health Consultant in NYC Congressional Record ,
