Federal Student Loans Made Under the Federal Family Education Loan Program and the William D. Ford Federal Direct Loan Program Congressional Research Congressional Research Service, 2015-01-21 The William D Ford Federal Direct Loan DL program authorized under Title IV Part D of the Higher Education Act of 1965 HEA as amended is the primary federal student loan program administered by the U S Department of Education ED The program makes available loans to undergraduate and graduate students and the parents of dependent undergraduate students to help them finance their postsecondary education expenses Four types of loans are offered Subsidized Stafford Loans for undergraduate students Unsubsidized Stafford Loans for undergraduate and graduate students PLUS Loans for graduate students and the parents of dependent undergraduate students and Consolidation Loans through which borrowers may combine multiple loans into a single loan For FY2015 ED estimates that 19.1 million loans not including Consolidation Loans totaling 101.6 billion will be made to students and their parents through the DL program Federal Family Education Loan FFEL program loans are no longer being made however approximately 30.4 billion in outstanding FFEL program loans are due to be repaid over the coming years FFEL and DL program loans are low interest loans with maximum interest rates for each type of loan established by statute Subsidized Stafford Loans are unique in that they are only available to undergraduate students demonstrating financial need With certain exceptions the federal government pays the interest that accrues on Subsidized Stafford Loans while the borrower is enrolled in school on at least a half time basis during a six month grace period thereafter and during periods of authorized deferment Unsubsidized Stafford Loans and PLUS Loans are available to borrowers irrespective of their financial need and borrowers are responsible for paying all the interest that accrues on these loans FFEL and DL program loans have terms and conditions that may be more favorable to borrowers than private and other nonfederal loans These beneficial terms and conditions include interest rates that are often lower than rates that might be obtained from other lenders opportunities for repayment relief through deferment and forbearance loan consolidation and several loan forgiveness programs This report discusses major provisions of federal student loans made available through the DL program and previously made through the FFEL program It focuses

on provisions related to borrower eligibility loan terms and conditions borrower repayment relief and loan default and its consequences for borrowers These topics are principally discussed with regard to loans currently being made through the DL program or made in the recent past through either program The report also provides detailed historical information on annual and aggregate borrowing limits loan fees and student loan interest rates Federal Student Loans Made Under the Federal Family Education Loan Program and the William D. Ford Federal Direct Loan Program David P. Smole, 2013-03-13

The William D Ford Federal Direct Loan DL program authorized under Title IV Part D of the Higher Education Act of 1965 HEA as amended is the primary federal student loan program administered by the U S Department of Education ED The program makes available loans to undergraduate and graduate students and the parents of dependent undergraduate students to help them finance their postsecondary education expenses The following types of loans are currently offered through the DL program Subsidized Stafford Loans for undergraduate students Unsubsidized Stafford Loans for undergraduate and graduate students PLUS Loans for graduate students and the parents of dependent undergraduate students and Consolidation Loans through which borrowers may combine multiple loans into a single loan For FY2013 ED estimates that 22.5 million loans not including Consolidation Loans totaling 120.8 billion will be made to students and their parents through the DL program Until July 1, 2010 Subsidized Stafford Loans Unsubsidized Stafford Loans PLUS Loans and Consolidation Loans were also available through the Federal Family Education Loan FFEL program authorized under Title IV Part B of the HEA The SAFRA Act part of the Health Care and Education Reconciliation Act of 2010 HCERA P L 111 152 terminated the authority to make new loans under the FFEL program after June 30, 2010 While new loans may no longer be made through the FFEL program approximately 289 billion in FFEL program loans are outstanding and are due to be repaid over the coming years FFEL and DL program loans are low interest loans with maximum interest rates for each type of loan established by statute Subsidized Stafford Loans are unique in that they are only available to undergraduate students demonstrating financial need With certain exceptions the federal government pays the interest that accrues on Subsidized Stafford Loans while the borrower is enrolled in school on at least a half time basis during a six month grace period thereafter and during periods of authorized deferment Unsubsidized Stafford Loans and PLUS Loans are available to borrowers irrespective of their financial need and borrowers are responsible for paying all the interest that accrues on these loans FFEL and DL program loans have terms and conditions that may be more favorable to borrowers than private and other non federal loans These beneficial terms and conditions include interest rates that are often lower than rates that might be obtained from other lenders opportunities for repayment relief through deferment and forbearance loan consolidation and several loan forgiveness programs In the recent years numerous changes were made to the terms and conditions of DL program loans The Budget Control Act of 2011 BCA P L 112 25 eliminated the availability of Subsidized Stafford Loans to graduate and professional students for periods of instruction beginning on or after July 1, 2012 and terminated the availability

of certain repayment incentives for loans made on or after July 1 2012 The Consolidated Appropriations Act FY2012 P L 112 74 eliminated interest subsidies during the six month post enrollment grace period on Subsidized Stafford Loans disbursed between July 1 2012 and June 30 2014 The Moving Ahead for Progress in the 21st Century Act MAP 21 P L 112 141 lowered the interest rate from 6.8% to 3.4% on Subsidized Stafford Loans made between July 1 2012 and June 30 2013 Also for individuals who are new borrowers on or after July 1 2013 MAP 21 restricted both the period during which individuals may borrow Subsidized Stafford Loans and the period during which the in school interest subsidy may be provided to 150% of the published length of their educational program

Federal Student Loans Tatiana Shohov, 2004 Title IV of the Higher Education Act HEA authorizes the major federal student aid programs including the student loan programs which are the largest source of aid for students In FY2000 the Federal Family Education Loan FFEL programs and the Federal Direct Student Loan DL program supported an estimated 33.1 billion in new loan volume Several types of loans are available Federal need based subsidized Stafford loans under which the government pays the interest while the borrower is in school a grace period of deferment unsubsidized Stafford loans Federal PLUS loans for parents of undergraduate students and Federal Consolidation loans Overall student loan volume has been increased in recent years from 24 billion in FY1994 to 33 billion in FY2000 The number of loans being made has increased over the same period going from 6 483 000 to 8 618 000 The average amount that individual students are borrowing in any given year has not increased as dramatically This new book examines important issues related to this cornerstone of American higher education

Options to Change Interest Rates and Other Terms on Student Loans Nabeel Alsalam, William Carrington, 2013-07-11 The Federal Direct Student Loan Program offers loans to students and their parents to help pay for postsecondary education Under current law about 1.4 trillion in new direct loans will be made to students between 2013 and 2023 Analysts and policymakers have raised concerns about various features of the program including a jump in the interest rate on what are known as subsidized loans which account for about one quarter of all new student loans that is scheduled to occur on July 1 2013 This report provides information about the direct student loan program and its effects on the federal budget under current law It also presents an analysis of the expected budgetary effects of options for changing the terms on new subsidized student loans and of options for changing the overall approach to setting interest rates on all new direct student loans Tables and figures This is a print on demand report

Your Federal Student Loans- Learn the Basics and Manage Your Debt U. S. Department of Education, 2014-05-12 When you're considering college or some form of education after high school financial aid almost always comes to mind While you have the primary responsibility of paying for college sometimes those funds just aren't enough and you need to look at other resources The U.S. Department of Education provides more than 150 billion in federal student aid grants work study and loans each year to students seeking a postsecondary education a degree after high school About 14 million students currently receive federal student aid with a majority receiving federal student loans In

addition to federal student aid financial aid is also available from colleges companies private scholarship funds or the state in which you live So there are resources to help you pay for college but you have to utilize them As you explore your financial aid options make sure to consider federal student loans These loans are a possibility for everyone because not all federal student loans are based solely on financial need If you have any questions or concerns about getting a federal student loan then make sure to review this publication

Tabulate Defferent Between Nsfas And Any Other Loan Introduction

In today's digital age, the availability of Tabulate Defferent Between Nsfas And Any Other Loan books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Tabulate Defferent Between Nsfas And Any Other Loan books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Tabulate Defferent Between Nsfas And Any Other Loan books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Tabulate Defferent Between Nsfas And Any Other Loan versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Tabulate Defferent Between Nsfas And Any Other Loan books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Tabulate Defferent Between Nsfas And Any Other Loan books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Tabulate Defferent Between Nsfas And Any Other Loan books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of

America, which provides a vast collection of digitized books and historical documents. In conclusion, Tabulate Defferent Between Nsfas And Any Other Loan books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Tabulate Defferent Between Nsfas And Any Other Loan books and manuals for download and embark on your journey of knowledge?
