Tackling Drills In Gaa:

Complete Book of Drills for Winning Soccer James P. McGettigan, 1980 Contains soccer drills designed to help coaches and players improve their playing skills

Keys to the Kingdom Jack O'Connor, 2008-03-06 When Jack O'Connor took over as Kerry football manager in 2004 he was a relative unknown Three All Ireland finals and two titles later he stepped down having established himself as one of the greats Keys to the Kingdom is his vivid account of those three seasons in the most high pressure job in Irish sport

The White Heat - My Autobiography Tomás Ó Sé, 2015-10-16 I went as hard as I could for as long as I could When Tom's retired from the Kerry senior panel in 2013 he did so as one of the longest serving players in intercountry history and one of its most prolific winners Tom's epitomised everything that Kerry football is all about His commitment determination and never say die attitude were plainly visible every time he took to the pitch He was a warrior and the best wing back that I have seen play the game among Fitzmaurice Kerry senior team manager But his drive and determination weren't forged in a vacuum they came from growing up in a family and place where Gaelic football was all that mattered For Tom's and his brothers Marc and Darragh football always came first each of them inspired by the larger than life personality of their uncle Páid the talisman of Kerry's fabled team of the early 1980s In his memoir an account of his upbringing and time in the Championship cauldron competing alongside and against the sport's modern greats Tom's writes candidly about life as a member of Ireland's greatest sporting dynasty the victories and disappointments the rivals and roguery the clashes and confrontations not to mention the tremendous responsibility that came with donning the green and gold of Kerry Moving thrilling and frequently hilarious The White Heat is an exploration of what it means to eat sleep and bleed Gaelic Games

The New Breed: Patrick McCarry, 2015-08-20 When the professional era dawned in 1995 Irish rugby was in a rut Provincial matches attracted crowds of 300 the national team was only capable of one exceptional result a year and there was a general lack of interest from the public The nation's best players were lured abroad and bitter club rivals were thrown together to battle for provinces that could not attract coaches No one could have predicted the rapid transformation that would overtake the Irish game Within a few short years the provinces had become powerhouses on the club circuit with Ulster then Munster and Leinster achieving the ultimate goal of European glory Today Ireland is one of the strongest professional unions in the world and its senior team are reigning Six Nations champions The New Breed tells the story of this transformation Key players of that first generation including Ronan O'Gara Brian O'Driscoll and Paul O'Connell provide candid enlightening interviews while current professionals such as Johnny Sexton Keith Earls and Rob Kearney offer insights into the ever changing science slog and sacrifice it now requires to make it to the very top
