Take Your Glory Lord:

Take Your Glory Lord Mary Garnett,2000-03-01 A graphic illustration of the power of God in action the dead are raised the sick healed the possessed delivered and those in fear encouraged and strengthened TAKE YOUR GLORY LORD Mary Garnett,1979 *"Take Your Glory, Lord"* Mary Garnett,1979 **"Take Your Glory Lord"** Mary Garnett,1979 Take Your Glory Lord Mary Garnett,2022 *Show Me Your Glory* Bill Hart,2005 *Show Me Your Glory* explores the current experiences associated with the presence of God manifested in the lives of His people The author draws parallels between these modern day experiences and the manifestations of the Lord s presence as related to us by the Bible authors The power of an encounter with God is shown to be a way of changing our hearts and moving us into deeper intimacy with God The reader will be encouraged and shown how to press into the Glory of God and experience all that the Father has for him Christians who have longed for a deeper intimacy whose hearts cry out for God s glory will be encouraged that their hopes prayers and dreams are not in vain The author creates a clear pathway that will lead you into deeper experiences of Father s glory Why I Am Still Surprised by the Power of the Spirit Jack S. Deere,2020-04-07 In his classic *Surprised by the Power of the Spirit* Jack Deere looked at the reason why many Christians including himself at the time struggle to believe in miraculous gifts and he provided a groundbreaking biblical defense of the Holy Spirit s speaking and healing activities today In *Why I Am Still Surprised by the Power of the Spirit* the former Dallas Seminary professor revisits his earlier subject matter with fresh insight and even stronger conviction the Scriptures teach that God is healing and speaking today just as he did 2 000 years ago Having almost entirely rewritten *Surprised by the Power of the Spirit* this new edition comes at a time when the theological landscape has dramatically changed and most evangelicals do believe in all the gifts of the Spirit But many of us are still unsure how to understand those gifts and there is much confusion today on what it means to be filled with the Spirit This book is for those familiar with Deere s work and for newcomers alike In it he Explains the nature of spiritual gifts defining each of them Offers sound advice on discovering and using spiritual gifts in church Tells documented stories of modern miracles and encounters with demonic powers Examines the New Testament use of the phrase filled with the Spirit to show why and how God still fills his servants with the Holy Spirit Introduces the newest literature defending and explaining the gifts of the Spirit With the care of a scholar and the passion of personal experience this new edition builds upon the legacy of *Surprised by the Power of the Spirit* and the profound impact it s had among Christians of many traditions His Kingdom Salvation Author KingdomSower 1,2015-05-06 This work has come forth of my personal fruits of spiritual labor that God requires of His Elect and request of us to approve our Ministry of Faith **52 Weeks of Practical Applications to Biblical Principles** Dr. Catherine Braswell,2018-02-02 It is Dr Catherine Braswells opinion that in our daily walk as a Christian reading studying and learning the Word of God Bible is very important But over the course of years I have noticed that as Christians it is very hard for many of us to take what we have learned and walk it out from day to day

We can read the Bible and tell others what we have read but very few of us can actually take the words of the scripture and apply them to daily crisis For this reason I would like to introduce you to a guide that will teach you how to walk daily in the Word of God This is a book of fifty two weeks of biblical principles with weekly applications to help the reader or Christian practice as you go through life challenges It will teach you how to face life challenges without losing or compromising your integrity As you apply these principles you should be able to see growth and maturity in life and learn how to trust God in every area and situation that you may encounter in this life

Surprised by the Power of the Spirit

Zondervan,2010-08-10 What caused a former Dallas Seminary professor to believe that the miraculous gifts of the Holy Spirit are being given today What convinced someone skeptical about miracles that God still speaks and heals A dramatic change took place in Jack Deere s life when he took a fresh look at the Scriptures He discovered that his cherished arguments against miraculous gifts were based more on prejudice and a lack of personal experience than on the Bible As soon as Deere became a seeker instead of a skeptic the Holy Spirit revealed himself in new and surprising ways In Surprised by the Power of the Spirit Jack Deere provides a strong biblical defense for the Spirit s speaking and healing ministries today He also describes several reliable cases of people who were miraculously healed or who heard God speak in an unmistakable way Finally he gives sound advice for using spiritual gifts in the church Written in popular style with the care of a scholar but the passion of personal experience this book is a vital resource for people on both sides of the debate about miraculous gifts

When You Need a Miracle Ann Spangler,2010-09-11 Year after year Ann Spangler has provided readers with uniquely appealing devotional books When You Need a Miracle continues the tradition by selecting the best stories from her first two books An Angel a Day and A Miracle a Day to offer readers a picture of a God who is far bigger and better than most people think By combining stories from the Bible with stories of contemporary men and women who have experienced miracles or angels Ann helps readers recognize the hand of a loving all powerful God at work in this world of anxiety and uncertainty Anyone who has longed for a miracle will take heart from the remarkable stories in this book They remind us that even in the midst of trouble and trial one thing remains true We belong to a God who is eager and able to care for us through his wisdom kindness and unfailing mercy Each of these ninety devotions opens with a key Scripture and closes with a prayer

Just A Glimpse Harrison S. Mungal,2008-05-02 When a missionary becomes a victim of depression author Harrison Mungal suffered from depression as a result of the death of his co worker and friend while living in Croatia for two years It came as a serious blow to the mind and he found it difficult to cope

Harrison is a man of passion who enjoys supporting individuals who may be in distress however when his time came he almost fell apart For over one year he refused to draw from his source of strength as he felt his source of strength was responsible He had a pain no medicine in the world could cure The battle between grief and depression struck him down He became like the walls of Jericho and began to crumble He returned back to Canada from Croatia and began to fight a different type of war A war between himself and depression after a period of time he went back to his source of strength and was taken into a spiritual journey which brought him out of his predicament He had a glimpse of power which transformed his life to support those who are suffering with the same or similar issues Life is like a vapour one minute you see it and another minute it s gone This book tells the story of a heart that was broken as a result of the death of a friend The author shares about the strength of a wife and the power of belief The book gives the reader hope that is built on ones spirituality Just A Glimpse will change your life for a lifetime expresses the importance of hope A glimpse of hope brings strength and strength will transform a life to live The depth of hope is explored which brought victory As we capture a glimpse we will develop a desire to become witnesses knowing that God is able to do the impossible A (Ruler) Education Brian Whitfield,2013-06-05 Brian Whitfield Jan 07 2010 wrote a book of study in which virtuous lord is teacher and virtuous heir is student Virtuous lord gives his example introduction and wisdom for the student to revise and apply his or her own preferred examples This book is meant for the individual that loves to uphold peace and prosperity but understands war and destruction as a means of survival Generally for soldiers officers prestigious rulers religious leaders community leaders and responsible guardians also I pray this book helps you sustain endure and keeps you obedient to your respected superiors Also I hope this book builds stronger character in you and stronger commitment to all which you value Topic 26 Treasure I argue treasure is warriors or that it is a Ruler most valued commodity esp on battlegrounds Virtuous Prince states warriors lead to treasure and treasure leads to warriors and that it could break a rulers heart to be forced to leave treasure behind Treasure rules everything around me because treasure loves treasure Treasure life love and happiness Abusing treasure or considered stealing without consent is folly concerning anothers treasure Topic 40 Rest I argue rest is peace or that which keeps the territory comfortable Virtuous Prince states where there is anger there is no rest where there is no anger there is rest where there is laughter there is no rest and without work it is hard to rest When no battles are going on learn your energy and reserve it as much as possible To hate rest your more productive full of energy not tired or that when you hate to rest your more considered a disturbance in love with war or blindly out looking for trouble To love rest your fatigue and tired or that when you rest your more at peace with your environment and reluctant to war *Vinculum Amoris* David Williams,2004-05 Christianity is not just a set of moral commands It is not just belonging to a church It is not just remembering its founder of long ago It is all of these but far more it is a vital relationship with a living and loving God And it is the Holy Spirit third Person of the God head who makes this happen Vinculum amoris is Latin for bond of love which describes the essential

activity of the Spirit Because the Spirit links us to God he saves us guides and empowers us He enlivens our worship such as in baptism and the Lord's Supper He stimulates our praying and gives gifts to deepen the quality of our lives and service to God Because he links us to God we are linked to each other in a deeper way Enriching yes And the more that we understand how the Spirit does it the deeper this enriching will be The author's prayer is that this book will do just that for God's people and for his Church

Death Is Inevitable - Living Is Optional! Sammy Naidoo, 2015-06-10 Death and suffering are inevitable parts of life Some die young making death seem senseless and cruel Why would a good God inflict such suffering amidst the cries for help and a miracle Even the cries of the faithful followers of Jesus are ignored Is He real This book is about my personal journey with cancer patients and their families It is about understanding God's great end time plan and believing that He had us on His mind for an eternal purpose This purpose was uniquely woven through the intricacies of life's challenges by the Master's hand to develop the mind and character of Christ ultimately for His Glory and reconciliation with Him in Heaven Death is not to be feared Pain and death serve a purpose Many lives are transformed And we know that for those who love God all things work together for good for those who are called according to his purpose Romans 8:28 When you open your heart to His love and healing pain will turn into ministry Heaven is real
