The gates are finally open but I'm not ready for what waits on the other side There's nothing quite like waking up naked alone and on fire But at least I woke up It's not every day a person gets to survive being stabbed by their boyfriend and his magic sword not a euphemism The gates are open My work is done right Enter Florence stage left to remind me that her aid came with a price And the bill has come due It's time to walk through a gate and find my friend's abducted sister To do it I'll need to find my fae birth family My only hope is that they're slightly less heinous than the half elf who betrayed me Finding Florence's sister isn't as straightforward as I'd hoped The intrigue in the royal court rivals anything I've seen on a soap opera I hadn't expected to be welcomed with open arms but a couple moments of appreciation for the world breaker might've been nice Let me tell you attempted murder is a craptastic reward [Eleanor Morgan Box Set \(Books 5-7\)](#) Amy Cissell, 2021-11-09 This digital box set includes the final three books in the Eleanor Morgan series Visit the Fae Plane for treachery war and post apocalyptic magical chaos Eleanor Morgan has destroyed the world as we know it but the danger isn't over yet When Eleanor woke up naked alone and surrounded by fire weeks after opening the final gate and reconnecting Earth and Fae Plane the only things on her mind are finding Raj and getting revenge on Finn But before Eleanor can get a handle on her post apocalyptic world Florence cashes in her promise It's time for Eleanor to go home Eleanor Raj Florence and Petrina the beautiful icy vampire who is Raj's scion and the balance to Florence's more fiery personality make their way to the Light Court where Eleanor will take her place at the side of her father the Fae King There are more promises for Eleanor to fulfill though than just finding her friend's long lost sister She's pledged to search for Isaac and free him from the prison where the Dark Queen and her sadistic vampire minion have been holding him and to do so before his mind completely shatters In the end it all comes down to two people The Raven Queen and The Dragon Queen as they hurtle toward blood war over The Dark Throne It's impossible to determine where loyalties lie in a land where everyone must tell the truth Will double dealings and mistrust force Eleanor into a confrontation with the Dark Queen before she's ready Ms Cissell is a truly gifted writer She has fun with her characters just the right amount of sexy and a solid understanding of how to write a series that you don't want to end I find myself rushing to read the last chapters to find the next twist even as I mourn having to wait for the next installment 5 star Amazon Review for The Lost Child Wow I love love love this series If you like Fae creatures of all kinds magic shapeshifters of all kinds vampires a great love story or two dragons etc Then this is your series and this book The Iron River does not disappoint 5 star Amazon Review This series is epic It has some dark undertones but if you like JRR Tolkien you will love this series It has magic and other planes It has Fae folk and witches It has saving the world and falling in love It has characters that you just want to be best friends with and ones you just hate It has
