

The book cover features a dark, atmospheric background. On the left, a large, craggy asteroid looms over a futuristic space station or colony structure. On the right, a woman with long, flowing red hair is depicted with a translucent, ethereal face that shows a blue, cloudy interior. In the foreground, a man with short, vibrant pink hair and a beard is shown in profile, looking towards the left. The overall tone is mysterious and sci-fi.

When Colin Argon discovers a dilapidated shuttle in the abandoned tunnels of the colony asteroid ship Prometheus, he resolves to restore it. But he can't do it alone. As Colin and his friends secretly reconstruct the ancient vessel, they're forced to enlist the help of Gemma O'Ryan, the withdrawn computer genius who shares a secret from Colin's past. At first reluctant to allow Gemma into his team, Colin is startled when Gemma uncovers an enigma that will change everything: the shuttle Intrepid is haunted by the ghost of Colin's great-grandfather. Gemma's discovery forces Colin's team to navigate questions of identity, sentence, and humanity as they prepare to explore the planet they hope to call home. But once on the planet they face a greater challenge—one that may risk all of their lives.
