About this report

Sustainability reporting

We adopt an integrated approach to corporate reporting, embedding non-financial information throughout our Annual Report.

More information is also available in our Sustainability Summary at www.sc.com/sustainabilitysummary

Alternative performance measures

The Group uses a number of alternative performance measures in the discussion of its performance. These measures include certain items which management believes are not representative of the underlying performance of the business and which distort period-on-period comparison. They provide the reader with insight into how management measures the performance of the business.
