Twenty Wishes Debbie Macomber, 2019-01-14 Come back to Blossom Street, Join 1 New York Times bestselling author Debbie Macomber for this hopeful story of enduring friendship and starting over. What do you want most in the world? What Anne Marie Roche wants is to find happiness again. At thirty-eight, she's childless, a recent widow. She owns a successful bookstore on Seattle's Blossom Street, but despite her accomplishments, there's a feeling of emptiness. On Valentine's Day, Anne Marie and several other widows get together to celebrate a sense of hope. They each begin a list of twenty wishes, including things they'd always wanted to do but never did. Some of the items on Anne Marie's list: learning to knit, falling in love again, doing good for someone else. When she volunteers at a local school, an eight-year-old girl named Ellen enters her life. It's a relationship that becomes far more involving and far more important than Anne Marie had ever imagined. As Ellen helps Anne Marie complete her list, they both learn that wishes can come true, but not necessarily in the way you expect. Originally published in 2008.

Forever and For Always Debra Clopton, 2016-10-25 Publicist Olivia Sinclair has been away from Windswept Bay for years, busy helping the Hollywood elite get out of one scandal after another. But now she's in the middle of her own scandal and splashed all over the gossip tabloids. Suddenly coming home to lay low in Windswept Bay is her own best advice to herself. Life as he knows it has just been altered for charter boat captain Brandon B.J. McCall. He's just learned he has a brother, and he's inherited millions, complicated just a little, and he's not exactly sure how he feels about either. But rescuing a beautiful, pink-kitty, shorty-pajama-clad female from the roof of her house is a complication he can enjoy. Being rescued by a stranger who could rival any of her Hollywood clients isn't exactly what Olivia had planned when she came home to hide out. Falling for the guy who she learns is perfect tabloid material in his own right is not a smart PR move. She's trying to get off the cover of the gossip magazines, not hold her spot for eternity. But it's complicated. Especially on the beaches of Windswept Bay, where romance is in the air, and love is a complication that just might be undeniable.
