The Routledge Handbook of Star Trek Leimar Garcia-Siino, Sabrina Mittermeier, Stefan Rabitsch, 2022-07-21 The Routledge Handbook of Star Trek offers a synoptic overview of Star Trek its history its influence and the scholarly response to the franchise as well as possibilities for further study This volume aims to bridge the fields of science fiction and trans media studies bringing together the many ways in which Star Trek franchising fandom storytelling politics history and society have been represented Seeking to propel further scholarly engagement this Handbook offers new critical insights into the vast range of Star Trek texts narrative strategies audience responses and theoretical themes and issues This compilation includes both established and emerging scholars to foster a spirit of communal trans generational growth in the field and to present diversity to a traditional realm of science fiction studies

Star Trek Robert Greenberger, 2012-11-08 This is the first book to combine an authoritative history of the Star Trek franchise including all six television series and eleven feature films with anecdotes about the show from those who helped shape it from the outside in the fans Star Trek expert Robert Greenberger covers everything from show creator Gene Roddenberry's initial plans for a series combining science fiction and Western elements the premiere of the original series in 1966 its cancellation the franchise's return in an animated series and its subsequent history on television and film up to expectations for the 2013 J J Abrams film Along the way Greenberger analyzes Star Trek's unique cultural impact and tremendous cult following including the famous and first ever save the show mail campaign But this isn't a sugarcoated history this book chronicles the missteps as well as the achievements of Roddenberry and others behind the franchise Approximately two dozen sidebars provide personal experiences of dedicated Trekkies who influenced or became a part of the franchise Star Trek fandom is unparalleled in the effects it has had on the franchise itself The book is illustrated with a large collection of photographs of memorabilia many of which have never been seen before in print

Star Trek The Collectibles Steve Kelley, 2008-09-26 This book provides a wide range of Star Trek treasures you can appreciate whether you're a devoted Trekkie or a novice collector of this epic American science fiction franchise Then the pages of this spectacular guide you'll discover more than 1 500 color photos including memorabilia direct from Paramount Studios warehouses In addition you'll enjoy chapters covering more than 40 years of Star Trek action figures lunch boxes games pins posters uniforms original scripts and countless other items all with identifying details and current market values

Star Trek FAQ (Unofficial and Unauthorized) Mark Clark, 2012-04-01 This book is not endorsed sponsored or affiliated with CBS Studios Inc Paramount Pictures or the Star Trek franchise Star Trek FAQ tells the complete story of Star Trek from the before the beginning the books films and TV shows that inspired producer Gene Roddenberry to create Star Trek until after the end when the show emerged as a cultural phenomenon in syndication and including dramatic behind the scenes stories e g Leonard Nimoy's struggle with alcoholism and actress Grace Lee Whitney's controversial firing often omitted from authorized histories of the program Along with in depth looks at the pre and post Trek careers of the show's

iconic leads Star Trek FAQ includes profiles of guest stars and redshirt extras alike as well as the many writers technicians and artisans whose efforts enabled Star Trek to take flight The book also explores the show s unprecedented resurgence in the 1970s with chapters devoted to early Star Trek fiction merchandising and the short lived animated series Combining a wealth of fascinating information about every facet of the show s production with original analysis of Star Trek s enduring appeal and cultural influence Star Trek FAQ goes where no Star Trek book has gone before The Stuff of Science Fiction Gary Westfahl,2022-10-07 While students and general readers typically cannot relate to esoteric definitions of science fiction they readily understand the genre as a literature that characteristically deals with subjects such as new inventions space robot and aliens This book looks at science fiction in precisely this manner with twenty one chapters that each deal with a subject that is repeatedly addressed in science fiction of recent centuries Based on a packet of original essays that the author assembled for his classes the book could serve as a supplemental textbook in science fiction classes but also contains material of interest to science fiction scholars and others devoted to the genre In some cases chapters offer thorough surveys of numerous works involving certain subjects such as imagined vehicles journeys beneath the Earth and undersea adventures discovering intriguing patterns in the ways that various writers developed their ideas When comprehensive coverage of ubiquitous topics such as robots aliens and the planet Mars is impossible chapters focus on major themes referencing selected texts A conclusion discusses other science fiction subjects that were omitted for various reasons and a bibliography lists additional resources for the study of science fiction in general and the topics of each chapter *Science Fiction Literature through History* Gary Westfahl,2021-07-19 This book provides students and other interested readers with a comprehensive survey of science fiction history and numerous essays addressing major science fiction topics authors works and subgenres written by a distinguished scholar This encyclopedia deals with written science fiction in all of its forms not only novels and short stories but also mediums often ignored in other reference books such as plays poems comic books and graphic novels Some science fiction films television programs and video games are also mentioned particularly when they are relevant to written texts Its focus is on science fiction in the English language though due attention is given to international authors whose works have been frequently translated into English Since science fiction became a recognized genre and greatly expanded in the 20th century works published in the 20th and 21st centuries are most frequently discussed though important earlier works are not neglected The texts are designed to be helpful to numerous readers ranging from students first encountering science fiction to experienced scholars in the field **The First Star Trek Movie** Sherilyn Connelly,2019-10-11 The story of Star Trek s resurrection between the 1969 cancellation of the original series and the 1979 release of Robert Wise s Star Trek The Motion Picture has become legend and like so many other legends it tends to get printed instead of the facts Drawing on hundreds of contemporary news articles and primary sources not seen in decades this book tells the true story of the first successful Star Trek revival After several attempts to relaunch the franchise ST TMP was

released on a wave of prestige promotion hype and public frenzy unheard of for a film based on a television show. Controversy surrounded its troubled production and 44M budget earning it a reputation at the time as the most expensive movie ever made. After a black tie premiere in Washington D C its opening in 856 North American theaters broke multiple box office records a harbinger of the modern blockbuster era. Despite immediate financial success the film was panned by both critics and the public leaving this enterprise nowhere to boldly go but down. *Music in Star Trek* Jessica Getman, Brooke McCorkle Okazaki, Evan Ware, 2022-12-30 The tensions between utopian dreams and dystopian anxieties permeate science fiction as a genre and nowhere is this tension more evident than in Star Trek. This book breaks new ground by exploring music and sound within the Star Trek franchise across decades and media offering the first sustained look at the role of music in shaping this influential series. The chapters in this edited collection consider how the aural visual and narrative components of Star Trek combine as it constructs and deconstructs the utopian and dystopian shedding new light on the series political cultural and aesthetic impact. Considering how the music of Star Trek defines and interprets religion ideology artificial intelligence and more while also considering fan interactions with the show's audio this book will be of interest to students and scholars of music media studies science fiction and popular culture. **The Routledge Handbook of Digital Media and Globalization** Dal Yong Jin, 2021-05-12 In this comprehensive volume leading scholars of media and communication examine the nexus of globalization digital media and popular culture in the early 21st century. The book begins by interrogating globalization as a critical and intensely contested concept and proceeds to explore how digital media have influenced a complex set of globalization processes in broad international and comparative contexts. Contributors address a number of key political economic cultural and technological issues relative to globalization such as free trade agreements cultural imperialism heterogeneity the increasing dominance of American digital media in global cultural markets the powers of the nation state and global corporate media ownership. By extension readers are introduced to core theoretical concepts and practical ideas which they can apply to a broad range of contemporary media policies practices movements and technologies in different geographic regions of the world North America Europe Africa the Middle East Latin America and Asia. Scholars of global media international communication media industries globalization and popular culture will find this to be a singular resource for understanding the interconnected relationship between digital media and globalization. *The Star Trek Universe* Douglas Brode, Shea T. Brode, 2015-05-14 As one of the most influential shows of all time Star Trek continues to engage fans around the world. But its cultural impact has grown far beyond the scope of the original seventy nine episodes. The show spawned an unprecedented progeny beginning with Star Trek: The Next Generation followed by three additional series of space exploration. Film versions featuring Captain Kirk Mr Spock and other original crew members first appeared in 1979 followed by a number of successful sequels and ultimately a reboot of the original show. From the modest ambitions of the show's creator Gene Roddenberry Star Trek gradually transformed into a true franchise and

expanded universe that continues to grow In *The Star Trek Universe Franchising the Final Frontier* Douglas and Shea T Brode have collected several essays that examine the many incarnations that have arisen since the original program concluded its run in 1969 Every aspect of media into which Star Trek has penetrated is covered in this collection the four television shows literature toys games and the big screen reboot of the original series featuring the Enterprise and her crew Essays address a number of elements particularly how the franchise has had an impact on gaming fandom and even technology Other essays consider how race gender and sexuality have been addressed by the various shows and films After a half century of boldly exploring topical issues that concern all of humanity Star Trek warrants serious attention now more than ever Looking beyond the entertainment value of its many versions *The Star Trek Universe* a companion volume to Gene Roddenberry's *Star Trek* offers provocative essays that will engage scholars of gender studies race studies religion history and popular culture not to mention the show's legions of fans around the planet

Star Trek Reader's Reference to the Novels Alva Underwood, 2012 Volume eight New aliens old adversaries and planetary disasters confront Enterprise The loyalty of the Bridge crew to Kirk is tested when Sulu and Chekov labeled traitors are helped by Dr McCoy and Scotty along with Kirk Spock and Klingon commander Kang to bring the real traitors to justice Kirk faces a Dohlman and with Uhura's help everts a war and establishes the true Dohlman on the throne Kirk is sorely tested by the joy machine created by a planet seeking unbounded joy if one gives control to the machine Enterprise and crew thrown back in time during military maneuvers discover their home planet never evolved humans A landing team must stop a group of Ru determined to destroy the asteroid that changed the evolutionary line of earth New comrades come from the future seeking help against the suffocating control of the Consilium Enterprise meets new aliens the Tauteans who nearly destroy themselves in the search for unlimited energy the Rimillians facing a civil uprising as one group attempts to re start their planet's spin Furies a dedicated group of new aliens who threaten the Klingon Empire and the yagghorth a radiation sensitive alien Dr McCoy faces the news of an unknown daughter while Sulu embraces the daughter he didn't know he fathered An aging Kirk called upon to witness the launch of a new hospital ship which he fears will be disastrous as it has no captain finds his fears confirmed Deciding he doesn't want to grow old and give up adventuring in space Kirk agrees to help the planet Chal
