YA NA series about love betrayal magic and fantasy Welcome to W J May s world of paranormal full of shifters fae fairy witches dragons dark magic and did I mention the vampires Book 1 Beginnings You ve read the ending but there is a beginning to every story Centuries before the creation of the five kingdoms when the great houses were still forming and the realm was ruled by fae a small band of companions set out on a journey Kiera had never left her village It was a stroke of luck that she wasn t there when the dragon attacked Without any friends or family without a shred of hope that anyone might believe her she strikes off alone into the forest looking for people that can help The world is new and untamed The people are leaderless and wild There has never been an alliance to unite them but an alliance is exactly what the realm needs Because a darkness is coming One that threatens to consume them all Book 2 Curiosity Life s a game of chance When Kiera s village was destroyed by a three headed dragon she thought her biggest problem was going to be getting people to believe her story Little did she know the dragon was going to be the least of her troubles After finding the proof they needed in the charred remains of Cattaling the three friends set out on a journey across the realm to find the answers that they seek But the road is often perilous and filled with creatures that would kill them just as easily as a dragon When the bonds between them are tested they re found to be new easy to splinter and break The journey seems endless and time is not on their side It s only a matter of time before the creature returns and when it does they need to be ready How does one fight such an enemy Where could it have been hiding all this time Can just three lone companions make a difference Or are the fates simply not on their side Book 3 Scrutiny How do you answer when the devil comes to call When a swarm of monsters crashed out of the forest Kiera thought it would be a struggle just to stay alive But it s not enough to survive one must also defend And as fate would have it there was an ever greater danger lurking in those trees Old enemies surface and ancient grudges come to light as a new player enters the field One that could bring ruin to them all One whose intentions are never quite what they seem The newfound fellowship is shaken to the core but as they are constantly reminded time is not on their side Other places in the realm have felt the burn of the dragon A strange change is coming over the land creeping like a shadow silent as a dream With no kingdoms there to stop it no massing armies to fight back such a darkness could consume them The friends need answers But will they get them in time BEGINNING S END SERIES Beginnings Curiosity Scrutiny Foresight Disavow Trickery Wisdom Decree Influence Prevail Dignified Honored

Counting the Miracles: Jewish Thought, Mysticism, and the Arts from Late Antiquity to the Present Silvana Greco,Judith Olszowy-Schlanger,2025-05-19 In honor of the writings of Giulio Busi scholar of Jewish culture the book investigates from a multidisciplinary perspective the extraordinary richness of Jewish culture in the Diaspora from antiquity to the latter part of the 20th century A number of rabbinic writings medieval manuscripts from the South of France visual qabbalah the Yiddish language artistic expressions as well as the philosophical and social traditions of some prominent twentieth century figures will be explored While the Jewish cultural tradition has always incorporated the cultural influences of the broader socio historical context in which it was embedded it has in turn been a source of inspiration for the intellectual lite of the majority society In this regard the volume will examine the fruitful mutual exchange between Jewish scholars and Christian humanists during the Renaissance However the life of Jews in the Diaspora did not always take place in a context of peaceful integration It was punctuated by harsh confrontations and persecution Finally the book will illustrate how precisely during the darkest and most tragic period of the 20th century Jewish culture was an important tool of resistance and struggle against Nazi Fascism *Beginning French Exercises in Pronouncing, Spelling and Translating ...* L. Pylodet,1894 *The Testimony of the Son of Man and the Beginning of His Millennial Reign on Earth* Dr. Solomon Udo Solomon ,2016-03-31 The Testimony of

the Son of Man and the Beginning of His Millennial Reign on Earth Vol II by Dr Solomon Udo Solomon The theme of The Testimony of the Son of Man is the restoration of the everlasting Gospel of the Kingdom of God on Earth as was brought down by Yeshua the Lamb of Yahweh for the redemption of the entire humanity The impetus to write this series of books came to the author by a dream of inspiration In that dream Dr Solomon Udo Solomon was directed to preach only what Jesus taught the world Dr Solomon went through the Synoptic Gospels first then the Epistles of the accredited witnesses and finally the Book of Revelations Dr Solomon s understanding was quickened Finally he decided to read the letters of Saul of Tarsus He saw a whole world of contradictions from what Jesus as the Son of Man taught the world Dr Solomon then understood why the Lord laid emphasis on what He Himself taught the world as well as the very essence of the mandate given to him Dr Solomon understood the need to inform the world of his revelations This is in keeping with what Jesus Himself said And this Gospel of the Kingdom shall be preached to all nations as a witness against them and then shall the end come The Gospel of the Kingdom which is the Gospel of Lawfulness and Peace is what Jesus Himself taught the world in His words examples and customs The present messages in churches and other organizations are composites of wheat and tares because of their choice to flout the Lord s order in the Gospel of Matthew Chapter 28 verse 20 under the purported inspiration of their false prophet This work is in strict consistency with the mandate that was given to Dr Solomon The readers will know that there was a gross distortion of the Mission of Yeshua the Lamb of Yahweh to the world especially His actual work of redemption The cross of the murderers which is being extolled has no contribution to make for the redemption of mankind This work is intended to free those who care to accept it from the sin of accomplice which has constituted a plague to the whole world The false information peddled by the false prophet will eventually be discarded to pave way for the New World Order which rests squarely on what the Lamb of Yahweh bequeathed to the world This is the much needed foundation for the Lord s return to set His Millennial Government on Earth This work shall awaken the consciousness in the elects to preach only what the Lord Himself taught the world notwithstanding the temptation to believe and propagate the unscriptural letters of Saul of Tarsus
