Customer Romance J.N Halm, 2014-05-08 CUSTOMER ROMANCE A New Feel of Customer Service Is about creating love not just any love but love that rewards It is a book for business owners leaders managers or professionals who want to become darlings to all their customers It is for the individual or business that intends to bring some sunshine into the lives of customers This is a book about how a business can win the hearts and pockets of its customers in a long lasting relationship CUSTOMER ROMANCE is a staunch supporter of a relationship selling concept as against the transactional selling concept This book advocates that no matter how much a business stands to lose in the short run when it practices relationship building in the long run the relationship pays off CUSTOMER ROMANCE debates that the most important ingredient in building a successful business is TRUST However trust is best established in a romantic relationship not in a mere transaction

The Routledge Companion to Financial Services Marketing Tina Harrison, Hooman Estelami, 2014-12-05 Interest in Financial Services Marketing has grown hugely over the last few decades particularly since the financial crisis which scarred the industry and its relationship with customers It reflects the importance of the financial services industry to the economies of every nation and the realisation that the consumption and marketing of financial services differs from that of tangible goods and indeed many other intangible services This book is therefore a timely and much needed comprehensive compendium that reflects the development and maturation of the research domain and pulls together in a single volume the current state of thinking and debate The events associated with the financial crisis have highlighted that there is a need for banks and other financial institutions to understand how to rebuild trust and confidence improve relationships and derive value from the marketing process Edited by an international team of experts this book will provide the latest thinking on how to manage such challenges and will be vital reading for students and lecturers in financial services marketing policy makers and practitioners

The CRM Handbook Jill Dyché, 2002 CRM is an integrated information system that is used to plan schedule and control the pre sales and post sales activities in an organization This text is a manager's guide to making the most of CRM techniques for enhancing customer service sales force effectiveness and marketing strategy Pricing: The key to profitability Nicolás Restrepo Abad, 2025-05-19 There is a short questionnaire used to determine whether a company needs help with its pricing strategy Curiously every company that has completed it has answered yes to at least one of the questions Is your company in the middle of a price war Do you feel your customers only buy when your products or services are on promotion Do you set prices based solely on your costs and your competitors prices Do you feel like a victim of tough customers who always want to negotiate better prices and discounts Do you feel you're failing to capture the full value your products or services offer In Pricing The key to profitability the concepts needed to design and implement a complete profit focused pricing strategy are presented in a clear and practical way Each topic is explained through real world examples of

companies selling both products and services in consumer and industrial markets alike Nicol s Restrepo has succeeded with this book in presenting price from a strategic and marketing oriented perspective very different from the traditional cost based approach Entrepreneurs executives and marketing students will find in these pages the key to managing price as an active component of business strategy rather than as a last minute commercial tactic Nicol s Restrepo Abad holds an MBA from IE Business School He is currently the President and founding partner of prexus pricing solutions a company dedicated to providing pricing strategy consulting services to large corporations His professional experience also includes roles in fast moving consumer goods Procter Gamble and telecommunications services Orbitel He has served as a pricing strategy professor in graduate programs at several business schools and has been a guest speaker at pricing seminars in major cities across Latin America

The Rise of the Hispanic Market in the United States Louis E. V. Nevaer,2015-06-03 Not only are Hispanics the largest minority group in the United States but Mexico is fast becoming our major trading partner surpassing even Japan In fact the U S now has the fourth largest Spanish speaking population in the world after Mexico Spain and Argentina How has this demographic group transformed the U S into a bi lingual nation within the span of a generation Why do Hispanics resist assimilation and insist on speaking Spanish in public life And how can businesses effectively reach the emerging Hispanic consumer market with its estimated purchasing power of USD1 trillion by 2010 These questions constitute the single most important marketing challenge for corporate America in the twenty first century This book examines the Hispanic worldview and how it informs people s economic decisions both in the United States and across North America It challenges the viewpoint that American culture will soon dominate its NAFTA trading partners looks carefully at the market for Hispanic goods in the U S and the market for our goods throughout the Spanish speaking world and shows how marketers are now reaching the Hispanic community domestically The information and insights found here are essential for teachers students and professionals in the fields of international finance and world trade as well as almost all areas of business marketing and strategic planning
