

Dictionary Skills

Some basic skills are needed in order to use a dictionary effectively and efficiently. All of the words in a dictionary are in alphabetical order. Knowing the ABC's (alphabetical order) makes it easier to quickly locate a specific word.

Guide words are located at the top of each page. The guide words tell the first word that is on the page as well as the last word that is on the page. (Example: *geyser*–*goat*) The guide words are *geyser* and *goat*. *Geyser* will be the first word on the page. *Goat* will be the last word on the page. All the words that come alphabetically after *geyser* and before *goat* can be found on that particular page.
