Ultimate Chastity Guide:

The Ultimate Woman's Guide to Male Chastity Mistress Dede, 2015-11-23 If you are reading this book you are most probably a woman interested in broaching the matter of male chastity You see this book is all about male chastity in other words self control The question is how exactly can this male chastity thing help you and your partner s sex life You are probably confused and you don t have to worry for you are not alone in this This book will help you understand the idea of male chastity and learn about the sexual fantasies that might seem dirty and unappealing to you now but could possibly save your sex life You will learn what the male chastity subject is all about the erotic fantasy of submitting to wearing a chastity device and the value of your man in a sexual prison in your relationship At first the idea of locking your partner s male organ in a device seem strange to you But overtime you will find that your partner sees this thing in an altogether new perspective something that is attractive and quite exciting for him To some forceful prevention of erection and orgasm may definitely seem odd but there are men who find it very arousing Getting started is sometimes difficult and the Internet provides you with lots of information that is mostly filled with fantasy over fact This is because most of those writings are written by men as an outlet to let out their kinky fantasies It is nothing more than erotic web fantasies that are much too complicated and bizarre for many women s tastes You are likely to get turned off by these thinking that the whole male chastity thing is not for you However in this book we assure you that the subject of male chastity is explained and directed to helping you understand the entire concept in full light It is all about using the male chastity game to rekindle the fire in your sex life for enjoying a much better relationship with your partner

Tweenhood Melanie Kennedy, 2018-10-30 A powerful female pre adolescent consumer demographic has emerged in tandem with girls becoming more visible in popular culture since the 1990s Yet the cultural anxiety that this has caused has received scant academic attention In *Tweenhood* Melanie Kennedy rectifies this and examines mainstream pre adolescent girls films television programmes and celebrities from 2004 onwards including *A Cinderella Story* 2004 *Hannah Montana* 2006 and *Camp Rock* 2008 Her book forges a dialogue between post feminism film and television celebrity and most importantly the figure of the tween Kennedy examines how these media texts which are so key to tween culture address and construct their target audience by helping them to choose an appropriately feminine identity Tweenhood then she argues is transient and a discursive construct whose unpacking highlights the deification of celebrity and femininity within its culture
