Bikram Pattanaik

Ump Ac Za 2016 Prospectus:

Urban Development and Planning Bikram Pattanaik, 2025-03-20 This book details the most contemporary concerns related to urban development governance and planning as well as the challenges to urban administration. It analyses the policies and programmes adopted by both high income and lower middle income countries to achieve sustainable urbanization and their application and treatment to help students get a holistic practical perspective of the issues at hand. This volume elucidates urban development theories and approaches coupled with urban planning, local government finance, urban management and urban governance. It also discusses urban issues and challenges such as education, health, waste management, land use planning, housing and transport. Critical concerns related to urban water bodies, open spaces, urban heritage and smart cities and urban future are similarly addressed. This book will be useful to students, researchers and teachers of urban planning and architecture, urban sociology, economics, geography, environmental science and public administration. It shall also be useful to NGOs, parastatal bodies and trainers of urban planning and development. Planners, policymakers, functionaries and elected representatives of urban local bodies may also use this book as a capacity building instrument. *Publishers Directory* Cengage Gale, Gale Group, 2004-02. Gale's *Publishers Directory* is your one stop resource for exhaustive coverage of approximately 30 000 U S and Canadian publishers, distributors and wholesalers. Organizations profiled in the *Publishers Directory* represent a broad spectrum of interests including major publishing companies, small presses in the traditional literary sense, groups promoting special interests from ethnic heritage to alternative medical treatments, museums and societies in the arts, science, technology, history and genealogy, divisions within universities that issue special publications in such fields as business literature and climate studies, religious institutions, corporations that produce important publications related to their areas of specialization, government agencies and electronic and database publishers.
