

UN LOINTAIN RIVAGE

Jean-Côme Nogués

Loil et Ingvald attendent avec l'impatience de la jeunesse le moment où le clan des "guerriers de la mer" embarquera pour aller ravager les côtes du pays des Francs. Une rivalité meurtrière naît entre les deux garçons dont l'amitié remonte pourtant à l'enfance. Ingvald est sauvé par Borrino bien que la jeune fille ait le sentiment de trahir les siens. Il sera difficile et lointain le rivage où l'on peut aimer en oubliant les peurs, les haines et les rancunes du royaume.

Jean-Côme Nogués est l'auteur de nombreux ouvrages. Dans la même collection "Félag au bout du monde".

Un Lointain Rivage:

My Memoirs Alexandre Dumas, 1908 **My Memoirs (1802 to 1833)** Alexandre Dumas, 2020-09-28 There is no real biography of Alexandre Dumas Nobody has collected and sifted all his correspondence tracked his every movement and pursued him through newspapers and legal documents Letters and other papers if they have been preserved should be as abundant in the case of Dumas as they are scanty in the case of Molière But they are left to the dust of unsearched offices and it is curious that in France so little has been systematically written about her most popular if not her greatest novelist Many treatises on one or other point in the life and work of Dumas exist but there is nothing like Boswell's Johnson or Lockhart's Scott The Memoirs by the novelist himself cover only part of his career Les Enfances Dumas and they bear the same resemblance to a serious conscientious autobiography as Vingt Ans Après bears to Mr Gardiner's History of England They contain facts indeed but facts beheld through the radiant prismatic fancy of the author who if he had a good story to tell dressed it up with a cocked hat and a sword as was the manner of an earlier novelist The volumes of travel and the delightful work on Dumas's domestic menagerie Mes Bêtes also contain personal confessions as does the novel Ange Pitou with the Causeries and other books Fortunately Dumas wrote most about his early life and the early life of most people is more interesting than the records of their later years In its limitation to his years of youth the Memoirs of Dumas resemble that equally delightful book the long autobiographical fragment by George Sand Both may contain much Dichtung as well as Wahrheit at least we see the youth of the great novelists as they liked to see it themselves The Memoirs with Mes Bêtes possess this advantage over most of the books that the most crabbed critic cannot say that Dumas did not write them himself In these works certainly he was unaided by Maquet or any other collaborator They are all his own and the essential point of note is that they display all the humour the goodness of heart the overflowing joy in life which make the charm of the novels Here unmixed unadulterated we have that essence of Dumas with which he transfigured the tame copy drawn up by Maquet and others under his direction He told them where to find their historical materials he gave them the leading ideas of the plot told them how to block out the chapters and then he took these chapters and infused into them his own spirit the spirit which in its pure shape pervades every page of the Memoirs They demonstrate that while he received mechanical aid from collaborators took from their hands the dry bones of his romances it was he who made the dry bones live He is now d'Artagnan now Athos now Gorenflot now Chicot all these and many other personages are mere aspects of the immortal the creative Alexandre **Delphi Collected Works of Alexandre Dumas (Illustrated)** Alexandre Dumas, 2013-11-17 One of the most prolific and popular French authors of the nineteenth century Alexandre Dumas was a noted historical novelist whose masterpieces The Count of Monte Cristo and The Three Musketeers caught the imagination of the world's readers Offering the most complete collection of Dumas novels ever compiled in English translation this eBook is a literary treat for all admirers of classic fiction Version 4 Concise introductions to the novels and other works Images of how the novels first
