Gordon, Wesley R. Habley, Thomas J. Grites, 2011-01-13 One of the challenges in higher education is helping students to achieve academic success while ensuring their personal and vocational needs are fulfilled In this updated edition more than thirty experts offer their knowledge in what has become the most comprehensive classic reference on academic advising They explore the critical aspects of academic advising and provide insights for full time advisors counselors and those who oversee student advising or have daily contact with advisors and students New chapters on advising administration and collaboration with other campus services A new section on perspectives on advising including those of CEOs CAOs chief academic officers and CSAOs chief student affairs officers More emphasis on two year colleges and the importance of research to the future of academic advising New case studies demonstrate how advising practices have been put to use *Career Advising* Virginia N. Gordon, 2006-01-23 Publisher description *The Graduate Advisor Handbook* Bruce M. Shore, 2020-03-04 You re advising students to help ensure their success but who s going to advise you With university budgets shrinking graduate advisors find their workloads increasing A professor emeritus of educational psychology at McGill University with more than forty years of advising experience and several teaching awards Bruce M Shore provides a practical guide here that demystifies the advisor student relationship and helps both parties thrive Emphasizing the interpersonal relationship at the heart of this important academic partnership he reveals how advisors can draw on their own strengths to create a rewarding rapport The Graduate Advisor Handbook moves chronologically through the advising process from the first knock on the door to the last reference letter Along the way it covers transparent communication effective motivation cooperative troubleshooting touchy subjects including what to do when personal boundaries are crossed and how to deliver difficult news with sample scripts to help advisors find the right words for even the toughest situations A valuable resource The Graduate Advisor Handbook has the cool headed advice and comprehensive coverage that advisors need to make the advising relationship not just effective but also enjoyable *The Handbook of Career Advising* Kenneth F. Hughey, Dorothy Nelson, Joanne K. Damminger, Betsy McCalla-Wriggins, 2009-09-22 The Handbook of Career Advising The Handbook of Career Advising not only provides a general introduction to this important academic advising function but offers many practical applications that can help students make realistic and timely career decisions As students face an ever changing and complex workplace helping them integrate their academic and career decisions has never been more important This book is an excellent resource for advisors it helps them become more cognizant of the critical role they play and will facilitate the development of the knowledge and

competencies required to perform this important advising task Virginia Gordon associate professor emeritus The Ohio State University This book provides a wealth of information for anyone whose work involves helping students discover how intentional choices in curricular and cocurricular educational experiences can prepare them for tomorrow's workplace The theoretical foundations information and resources frameworks for practice and recommendations for the future included in this book will guide academic advisors as they positively influence students' lives by helping them systematically and enthusiastically approach their career development Mary Stuart Hunter assistant vice provost National Resource Center for The First Year Experience and Students in Transition University of South Carolina The Handbook of Career Advising provides excellent information resources and examples of how academic advisors can become more knowledgeable and comfortable in providing career advising Here authors address critical issues such as diversity working with specific student groups and working with undecided or exploratory students This book provides examples that illustrate how career and academic advising are significant parts of the teaching and learning process that support student success on our campuses Casey Self executive director Academic Advising University College Arizona State University and 2009 NACADA president

Academic Advising Manual National-Louis University. Academic Advising Task Force, 1994 Designed to help faculty at the University in the process of advising students The manual includes forms and sample correspondence [Advisor Training Manual](#), 1993 **The New Advisor Guidebook** Pat Folsom, Franklin Yoder, Jennifer E. Joslin, 2015-09-21 This is an exciting time to be an academic advisor a time in which global recognition of the importance of advising is growing research affirms the critical role advising plays in student success and institutions of higher education increasingly view advising as integral to their missions and essential for improving the quality of students' educational experiences It is essential that advisors provide knowledgeable realistic counsel to the students in their charge The New Advisor Guidebook helps advisors meet this challenge The first and final chapters of the book identify the knowledge and skills advisors must master These chapters present frameworks for setting and benchmarking self-development goals and for creating self-development plans Each of the chapters in between focuses on foundational content the basic terms concepts information and skills advisors must learn in their first year and upon which they will build over the lengths of their careers These chapters include strategies questions guidelines examples and case studies that give advisors the tools to apply this content in their work with students from demonstrations of how student development theories might play out in advising sessions to questions advisors can ask to become aware of their biases and avoid making assumptions about students to a checklist for improving listening interviewing and referral skills The book covers various ways in which advising is delivered one to one in groups and online The New Advisor Guidebook serves as an introduction to what advisors must know to do their jobs effectively It pairs with *Academic Advising Approaches Strategies That Teach Students to Make the Most of College* also from NACADA which presents the delivery strategies successful advisors can use to help students make the most of their college experience

Academic Advising for Student Success and Retention Michael Hovland, Edward C. Anderson, William McGuire, David Crockett, 1997 **Academic Advisor's Manual** Sul Ross State University, 1987 Handbook of Academic Advising Virginia N. Gordon, 1992-08-24

The increase in diverse student populations and the growing complexity of higher education have made academic advising a critical component of student success. This comprehensive professional reference overviews academic advising as a function and a process. Practitioners will find much valuable information on the intricacies of student advising and administrators will find a thorough treatment of the functions necessary for the effective delivery of this important service. The handbook gives special attention to the needs of particular student populations and offers considerable coverage of academic advising as a profession. The book begins with a thoughtful glance at the history and development of advising. It then turns to some of the significant administrative matters related to the successful delivery of this service. The following chapter considers the essential skills and materials needed by academic advisers of all types. Because of the importance of college as preparation for a vocation, a chapter explores the link between career counseling and other forms of advising. A lengthy discussion of the needs of disabled students, adult students, and other special populations follows, along with a look at the needs of specific racial and ethnic groups. The closing chapters treat important professional issues including evaluation and professional development. Counselors, administrators, and all those involved in the academic advisory process will find this book a much needed reference tool.
