Dayanara Blue Star,2015-09-28 Many of us are into believing to those that are called as fortune tellers that predict the future or our fortune And in connection with that would be the idea of using cards that will make the said predictions more believable Tarot cards are considered to be one among the forms of divination They are being used to measure potential outcomes as well as evaluate influences that could surround a person and an event Taromancy is the technical term used to describe tarot reading which is a process of divination with the use of tarot cards It is considered as a subsection of cartomancy which is known as divination with the use of cards in general Tarot is considered as among the most continuing artifacts from the Renaissance It first appeared in Northern Italy in the 15th century and so utilised as a card game From the 18th century Tarot has already been used being divinatory arts It has symbolism that could provide insight into feelings and events in life guidance in making decisions and so not answers rather another perspective along with your situation In general Tarot is about the use of intuition in order to gain a better understanding not only of life feelings and emotions but also of others that are important in one s life If you are interested in Tarot cards Tarot reading and its meanings as well then you actually need to have a guide There is a need for you to have enough idea whether where the Tarot comes from what do it actually means and how possible that the deck of cards could tell anything regarding yourself There is a need as well that you are familiar with its meanings and interpretations in order to be successful in Tarot reading You will therefore be guided by the topics to be discussed throughout this book      **Tarot: a New Approach for Beginners** Edouard Ponist,2022-04-13  
Aleister Crowley designed The Tarot General Attributions Page 268 in his book The Book of Thoth for his Thoth Tarot The Tree itself can be used as well for the Rider Waite deck successfully enriching the reading and giving the client a snapshot of the Celtic Cross spread regarding the main concern Card 1 in the here and now Emphasis is placed in developing a relationship with the cards versus relying on book descriptions Difficult cards are explained as well as Court Cards and how to apply them The Tree however in Part 2 is the heart of this book applying a Celtic Cross spread which lights up hubs and pathways of The Tree A reading example ties together a Celtic Cross spread with The Tree demonstrating how The Tree enriches the Celtic Cross reading Tarot itself is explained as a serious practice which deserves respect as a divination tool
