Fitz Wickham her former friends and maybe even herself that she's more than just an embarrassment to the family name. How hard can it be to become the Perfect Darcy? All she has to do is rebuild her reputation with the marching band even if it kills her. Forget about Wickham and his lies no matter how tempting they still are and distract Fitz Darcy helicopter sibling extraordinaire by getting him to fall in love with his classmate Lizzie Bennet. This one might be difficult. Sure it's a complicated plan but so is being a Darcy. With the help of her fellow bandmate Avery matchmaking ideas lifted straight from her favorite fanfics and a whole lot of pancakes Georgie is going to see every one of her plans through. But when the weight of being the Perfect Darcy comes crashing down Georgie will have to find her own way before she loses everything permanently including the one guy who sees her for who she really is. **ITG Journal** International Trumpet Guild, 2007
