UlyssesbyJames JoyceUlysses is a modernist novel by Irish writer James Joyce Ulysses chronicles the peripatetic appointments and encounters of Leopold Bloom in Dublin in the course of an ordinary day 16 June 1904 Ulysses is the Latinised name of Odysseus the hero of Homer's epic poem Odyssey and the novel establishes a series of parallels between the poem and the novel with structural correspondences between the characters and experiences of Leopold Bloom and Odysseus Molly Bloom and Penelope and Stephen Dedalus and Telemachus in addition to events and themes of the early twentieth century context of modernism Dublin and Ireland's relationship to Britain The novel imitates registers of centuries of English literature and is highly allusive Ulysses is approximately 265 000 words in length and is divided into eighteen episodes Since publication the book has attracted controversy and scrutiny ranging from early obscenity trials to protracted textual Joyce Wars Ulysses stream of consciousness technique careful structuring and experimental prose full of puns parodies and allusions as well as its rich characterisation and broad humour made the book a highly regarded novel in the modernist pantheon Joyce fans worldwide now celebrate 16 June as Bloomsday **Ulysses (Diversion Classics)** James Joyce,2015-08-18 Featuring an appendix of discussion questions the Diversion Classics edition is ideal for use in book groups and classrooms A classic work that defies genre and turns form on its head James Joyce's masterpiece is a defining force behind the modernist movement The rambling tale of a single day in Dublin across the lives of many characters it is at first glance chaotic but in fact meticulously structured Although often contested for its challenging subject matter ULYSSES nevertheless remains a staple of twentieth century literature **Ulysses by James Joyce** James Joyce,2017-08-23 Ulysses

by James Joyce **Ulysses (Squashed Edition)** James Joyce,2019-01-09 The Squashed edition of Ulysses by James Joyce Abridged from the original text to read in an hour or so with extensive notes Squashed editions are precise abridgements the original ideas in their own words the full beam of the book the quotable quotes and all the famous lines but neatly honed down to the length of a readable short story Like reading the bible without all the begats Prof Jim Curtis **Ulysses (Modern Edition)** James Joyce,2019-08-07 Previously published as Ulysseses by James Joyce A unique edition beautifully formatted with optimized easy to read fonts complete unabridged original version of the first 1922 edition annotated with James Joyce's Amazing Chronicle by Dr Joseph Collins A master work of modernist literature Ulysses used the structure of

the Homeric Odyssey as a contrast to the lives of the Dublin working class The entire work takes place during Dublin's dailiest day possible Thursday 16 June 1904 The bleak lives of the Dublin working class formed a stark contrast to the heroic Odyssey and Joyce's frank realism was too avantgarde for the cultural police of the day From the first installment in 1918 censorship issues dogged Ulysses eventually forcing a halt to its serialization in 1920 The first editors Margaret Anderson and Jane Heap were convicted in New York of publishing obscenity Ulysses was subsequently banned in the U S until 1933 but copies often trickled in clandestinely as its suppression and subsequent publicity assured a wider demand for what was originally a relatively obscure avant garde text Versions of Ulysses would pass through numerous hands before the first edition of 1922 During this period Joyce embroidered continuously on the Odyssean theme with textual discrepancies increasing as he added to various circulating copies Compounded by unauthorized cuts bowdlerizations and pirated versions Ulysses convoluted publication history eventually obscured the author's intent no definitive version of the text exists The textual complexities have fueled a vast amount of scholarship Joyce joked that Ulysses should give Universities something to work on well into the next century With the 1992 copyright expiration there has been yet another explosion in Joycean scholarship and controversy Whatever its other effects the censorship battle over Ulysses certainly played a significant role in establishing its literary status Along with the appearance of T S Eliot's The Wasteland in 1922 the publication of Ulysses signaled the peak year of modernism and became the icon of a new literary era Please note our edition is a joy to hold in your hand Buy it with confidence

Dubliners and Ulysses James Joyce, 2014-04

Stately plump Buck Mulligan came from the stairhead bearing a bowl of lather on which a mirror and a razor lay crossed A yellow dressinggown ungirdled was sustained gently behind him on the mild morning air He held the bowl aloft and intoned Introibo ad altare Dei Halted he peered down the dark winding stairs and called out coarsely Come up Kinch Come up you fearful jesuit Solemnly he came forward and mounted the round gunrest He faced about and blessed gravely thrice the tower the surrounding land and the awaking mountains Then catching sight of Stephen Dedalus he bent towards him and made rapid crosses in the air gurgling in his throat and shaking his head Stephen Dedalus displeased and sleepy leaned his arms on the top of the staircase and looked coldly at the shaking gurgling face that blessed him equine in its length and at the light untensured hair grained and hued like pale oak Buck Mulligan peeped an instant under the mirror and then covered the bowl smartly Back to barracks he said sternly He added in a preacher's tone For this O dearly beloved is the genuine Christine body and soul and blood and ouns Slow music please Shut your eyes gents One moment A little trouble about those white corpuscles Silence all He peered sideways up and gave a long slow whistle of call then paused awhile in rapt attention his even white teeth glistening here and there with gold points Chrysostomos Two strong shrill whistles answered through the calm Thanks old chap he cried briskly That will do nicely Switch off the current will you He skipped off the gunrest and looked gravely at his watcher gathering about his legs the loose folds of his gown The plump shadowed face and sullen oval jowl recalled a prelate patron of arts in the middle ages A pleasant smile broke quietly over his lips The mockery of it he said gaily Your absurd name an ancient Greek He pointed his finger in friendly jest and went over to the parapet laughing to himself Stephen Dedalus stepped up followed him wearily halfway and sat down on the edge of the gunrest watching him still

as he propped his mirror on the parapet dipped the brush in the bowl and lathered cheeks and neck Buck Mulligan's gay voice went on My name is absurd too Malachi Mulligan two dactyls But it has a Hellenic ring hasn't it Tripping and sunny like the buck himself We must go to Athens Will you come if I can get the aunt to fork out twenty quid He laid the brush aside and laughing with delight cried Will he come The jejune Jesuit Ceasing he began to shave with care Tell me Mulligan Stephen said quietly Yes my love How long is Haines going to stay in this tower Buck Mulligan showed a shaven cheek over his right shoulder
