Pilgrimage "Hajj" Mohammad Amin Sheikho,2013-03-18 What wisdom lies behind the pilgrimage What benefit comes from its strange rituals Why should the pilgrim dress in white untailored cloth What is the wisdom of circumambulating a big stone named Al Ka ba What does the hajji pilgrim benefit from kissing the Black Stone What is the purpose of walking quickly to and fro between Safa and Marwa What is the importance of standing on a mountain named Arafat What is the purpose of throwing seven pebbles Can these seven pebbles destroy Satan who is immaterial and invisible Why are animals slaughtered in these places If you are eager and interested to know the answers to these exciting questions then let us sail forth into this research which leads us to the straight path and ensures that there is no deviation from it Thus we may live a life of eternal happiness Let us seize the opportunity to gain a span of life compared to which our worldly life is not worth mentioning Let us start now for when death knocks at our door regret will avail us nothing At that time how great will be the loss of those who turned away from their Provider

The Meaning of Mecca M. E. McMillam,2011-12-05 The hajj the fifth pillar of Islam is a religious duty to be performed once in a lifetime by all Muslims who are able The Prophet Muhammad set out the rituals of hajj when he led what became known as the Farewell Hajj in 10 AH 632AD This set the seal on Muhammad s career as the founder of a religion and the leader of a political entity based on that religion The convergence of the Prophet with the politician infuses the hajj with political as well as religious significance For the caliphs who led the Islamic community after Muhammad s death leadership of the hajj became a position of enormous political relevance as it presented them with an unrivalled opportunity to proclaim their pious credentials and reinforce their political legitimacy Exhaustively researched The Meaning of Mecca is the first study to analyse the leadership of the hajj in the formative and medieval periods and to assess the political subtext of Islam s most high profile religious ritual

A Guide to Hajj and Umrah Anis Matthews,Daud Matthews,2014-04-24 The authors have drawn on their own experience of living in Saudi Arabia for 23 years to write A Guide for Hajj and Umrah It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and Umrah Its a guided tour through a number of very meaningful emotional and religious experiences But its also so much more It is a journey of self discovery as well as the discovery of Islam Its a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story telling The text itself is well written and simple

getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime The photographs displayed near the end of the book are astounding and original especially for readers from Non Muslim countries who have in all probability never before seen such sights as the spellbinding pure as snow brightness of Masjid Nabawi at night or the sober splendor of the Prophet s Mosque Interspersed with the practical maps tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah the Most Powerful and Compassionate as well as a thrilling narration of Islam s early history and lore Particularly moving and evocative is the beautifully retold beginning of sa ee the struggle as an act of absolute trust in Allah as displayed by a desperate and lonely Hajar Especially touching and profound is the authors recommendation to work hard on understanding the du as recited as a pilgrim instead of simply carrying pamphlets and reciting them in blind fashion without understanding their meaning Such a warning is a necessity as casualness might well impair the sincerity of the appeal which should come straight from the pilgrim s heart In short this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam
