nine year old Sherry Gallagher flees in panic into the woods behind her house to hide from her abusive father Following the death of their mother her older brothers and sisters have all left home leaving Sherry to deal with her father alone In the woods Sherry encounters an enigmatic old woman who has just moved into a previously abandoned forest cottage They form an unlikely friendship and agree to exchange fairy tales with one another stories that are by turns enchanting and heartbreaking As they grow closer the old woman introduces the shy and damaged girl to wonder and beauty But in Sherry's world hope is a dangerous thing that threatens to unearth the secret she has so carefully buried her darkest trauma A novel that explores the intersection of myth love imagination and psychological resilience this compelling narrative is painful surprising and ultimately profoundly hopeful The Male Secretary to Female CEO Xiao QingGan,2019-10-18 By chance Zhao Ling San who graduated from a third rate university became the personal secretary of his beautiful superior and even peeked at his beautiful superior's office Boundaries of Touch Jean Halley,2007-06-25 A history of the shifting and conflicting ideas about when where and how we should touch our children Discussing issues of parent child contact ranging from breastfeeding to sexual abuse Jean O Malley Halley traces the evolution of mainstream ideas about touching between adults and children over the course of the twentieth century in the United States Debates over when a child should be weaned and whether to allow a child to sleep in the parent's bed reveal deep differences in conceptions of appropriate adult child contact Boundaries of Touch shows how arguments about adult child touch have been politicized simplified and bifurcated into naturalist and behaviorist viewpoints thereby sharpening certain binary constructions such as mind body and male female Halley discusses the gendering of ideas about touch that were advanced by influential social scientists and parenting experts including Benjamin Spock Alfred C Kinsey and Luther Emmett Holt She also explores how touch ideology fared within and against the post World War II feminist movements especially with respect to issues of breastfeeding and sleeping with a child versus using a crib In addition to contemporary periodicals and self help books on child rearing Halley uses information gathered from interviews she conducted with mothers ranging in age from twenty eight to seventy three Throughout she reveals how the parent child relationship far from being a private or benign subject continues as a highly contested politicized affair of keen public interest **Making Sense of AIDS** Leslie Butt,Richard Eves,2008-05-31 In Melanesia rates of HIV infection are among the highest in the Pacific and increasing rapidly with grave humanitarian development and political implications There is a great need for social research on HIV AIDS in the region to provide better insights into the sensitive issues surrounding HIV transmission This collection the first book on HIV and AIDS in the Pacific region gathers together stunning and original accounts of the often surprising ways that people make sense of the AIDS epidemic in various parts of Melanesia The volume addresses substantive issues concerning AIDS and contemporary sexualities relations of power and moralities themes that provide a powerful backdrop for twenty first century understandings of the tensions between sexuality religion and politics in many parts of the world The Oxford Handbook

of Job Quality Chris Warhurst, Chris Mathieu, Rachel E. Dwyer, 2022-05-26 The aim of this Handbook is to produce an interdisciplinary and international benchmark text for anyone wanting to understand job quality Job quality matters and has long and continually done so even if the terminology used to describe it has and continues to vary Debate about the future of work and job quality in the twenty first century centres on the impact of the new digital technologies of the putative fourth industrial revolution This debate compounds existing concerns about the restructuring of employment and importantly a worrying proliferation of poor quality jobs often within the context of neo liberal political economic hegemony since the early 1980s or the economic crisis that followed the Global Financial Crisis of the late 2000s Job quality is offered as a solution to challenges such as health welfare productivity innovation economic competitiveness democracy and democratic participation Bildung cultivation societal equality individual and collective quality of life and environmental sustainability As job quality is a key factor in addressing these and the other challenges it needs to be understood in all its complexity in terms of what it affects as well as what affects it This Handbook draws together into a single volume first an explicit focus on job quality both as a significant factor in and of itself and as producing instrumental effects on a range of other processes and outcomes second a catalogue of the diverse range of multiple contributions and applications related to job quality and third the complexity and multiple interpretations of the concept of job quality Each chapter provides distinct responses to the question of why job quality matters coupled to a contention about for whom or for what job quality matters most As the chapters with their respective answers and arguments attest there are a range of ways in which job quality is relevant to an equally broad range of social economic and political concerns

Tainted Meaghan Nicholson, 2015-04-17 In a secret society hidden from those without the Sight spirits stuck in purgatory roam the earth In this society stands Madeline Knox a human girl who doesn't have much going for her That is until an accidental run in with the Crossers Without even realizing they give Maddie the ability to see past the veil between the living and the dead They give her the Sight From there she falls victim to a fragmented truth she was never meant to see Being thrown into their world Maddie is caught in the middle of a life or death game put on by a notorious sociopath named Ayer Therrian who has it out for her Crosser friends Fending for herself Maddie must adjust to the undead limbo she got herself mixed up in It could cost her her life and from what the Sight has shown her so far it's becoming clear that death isn't as peaceful as anyone thought
