American Sexual Politics Rosalind S. Chou, 2012-06-07 Asian American Sexual Politics explores the topics of beauty self
 esteem and sexual attraction among Asian Americans The book draws on sixty in depth interviews to show how constructions
 of Asian American gender and sexuality tend to reinforce the social and political dominance for whites particularly white
 males even in the supposed post racial United States Drawing on established scholarship on the intersection of race gender
 and sexuality Asian American Sexual Politics shows how power dynamics shape the lives of young Asian Americans today
 Asian American women are often constructed as hyper sexual docile bodies while Asian American men are often racially
 castrated The book s interview excerpts show the range of frames through which Asian Americans approach the world as
 well as the counter frames they construct In the final chapter author Rosalind S Chou offers strategies for countering
 racialized and sexualized oppression This provocative book shows how persistent racism affects Asian American body image
 self esteem and intimate relationships **Daddy's Hose: Shared by Stepdad with Firemen Illustrated Erotica** Barbie

Theisen,2007-04-01 A fascinating study of Edward Hopper's iconic Nighthawks painting and its deep significance for understanding American culture Staying up Much Too Late discusses the painting Nighthawks and the painter Edward Hopper and their central importance to twentieth century American culture Topics include individualism New York City Arthur Weegee Fellig diners pornography capitalism advertising cigarettes American philosophy World War II Gravity's Rainbow Blade Runner Pulp Fiction Russ Meyer R Crumb David Lynch and film noir What links these together is the painting's pessimistic take on American culture which it also seems to epitomize Despite its desolate feel Nighthawks has become a familiar icon reproduced on posters and postcards in movies and on television shows But Nighthawks is more than just a masterful painting It is a portal into that rarely acknowledged but pervasive dark side of the American psyche *Erotic*
