Step Brother Steals My Innocence English Edition:

My Innocence Was Stolen Tabitha Ferguson, 2022-08-01 Tabitha Ferguson was born into poverty and an abusive and divided family. She survived abuse on every level while her community documented the torment she lived in and projected mental illness labels on her instead of holding the abusers accountable. When Tabitha could no longer function in a normal school classroom, she was pushed into the judicial system and believes she was set up to fail. Due to the severity of the abuse she endured, she fell into what statistics say they fall into with addictions and its lifestyle. In the midst of a life full of adversities, Tabitha has managed to overcome as she passionately shares her story to help raise awareness for kids and their families with similar backgrounds. Tabitha's first new book will give you great insight into what goes on inside the mind of a troubled at-risk youth and how to respond and begin using trauma-informed knowledge versus believing someone is mentally ill due to biochemical imbalances. We all just want to love and be loved. Tabitha's book will help you realize just how much the human mind can be restored and how one can overcome with a past like hers.

He wasn't supposed to fall for her. She was a target. A contract that came across his desk by mistake. Axel was simply going to warn her that she was in danger and get out. Then he got a taste of her and fell hard. But they're from two different worlds. Not only is she innocent, she's out of his league. He should keep his distance, but he can't. Not when someone wants her dead. Now he's driven to protect her to keep her safe. What happens when she discovers who he really is? Hadley moved to Redemption Harbor for vet school and to be closer to her new family. Now that her billionaire father knows about her existence, her life has changed drastically. She just never imagined that she might be targeted because of her family. And she definitely never imagined she would fall for the one man she should never want: A man who kills for a living. A man who's obsessed with her. A man who will do anything to protect her from the danger lurking in the shadows. Length: NOVEL. Author note: This is a stand-alone novel in the Redemption Harbor series, complete with an HEA and no cliffhanger. Redemption Harbor Series: 1. Resurrection, 2. Savage Rising, 3.
