**The Billionaire Stepbrother (Forbidden Romance)** Heather Royer, 2015-09-26 Linda Shaw's stepbrother New York's advertising mogul Chris Ray has returned from his business trip to find her sleeping in his bed. Even worse, Linda had been having the most erotic dream with Chris as her leading man. Linda had been in love with her stepbrother for a long time but has never had the heart to tell him. But perhaps living in close proximity will change all that. After all, she'd got nowhere else to go. Linda is broke with a capital B. As an unsuccessful model, she is not willing to bend over backwards to get a job. Neither is she willing to lay down for one. So Chris volunteers to help her. After all, what are much older big brothers for? But one way to helping Linda find success, the two find something much more satisfying. What happens when the invisible lines are crossed? Will Linda and Chris ever be able to move past the things that hold them back? Sometimes the thing we want the most is the most taboo, which just makes it much more fun. [Stepbrother Romance](#) R. I was crushed. I was certain that this connection could last forever, but now my hopes were shattered. Or so I thought. Warning: This book contains lots of HOT sex, drama, and submission. *My Dearest Billionaire Stepbrother Romance* Marian Middleton, 2015-10-31 After my divorce, I doubted I could ever find love again. I felt broken and lost, but that changed into a whirlwind romance that I hadn't been expecting. A man came into my life and changed all of that. He spoiled me, showed me attention, and showed me affection. These were all the things my ex-husband didn't do in our relationship. There was one small catch: I couldn't tell my family about the new man in my life that brought me so much love, happiness, and joy. My family wouldn't understand about my new relationship and would disown me in a heartbeat if they ever found out. I held the picture frame with us in Paris. I traced my finger on his face. I wasn't expecting to fall in love with him, and definitely not so soon, but we did. The only problem was the fact he was my stepbrother. Society didn't see it the same way we did. We weren't related, and it was perfectly legal to get married. We weren't blood-related. We were only classified as related because my mother was married to his father. People that both worked for the firm and lived around here didn't know we were half-siblings. We didn't have to hide it, but we had to both be at my parents' this week for our Thanksgiving holiday. **My Dearest Billionaire Stepbrother Romance** Marian

Middleton, 2015-10-29 People often said new beginnings start from another ending. My new beginning started with a divorce. My stepbrother Bentley Parker gave me a second chance. He flew his jet across the country to pick me up and offered me a job and a place to stay. Bentley offered me a job and a new beginning. I didn't realize that the new beginning also consisted of

a new romance in my life I hadn't been expecting to fall in love so soon but here I was head over heels in love The way his shaggy blond hair hung his blue sparkling eyes that seemed to look in into my soul He had been giving me the attention that I deeply desired and craved for so long I was in love with my boss and I knew that he was in love with me as well Every time I saw him he made my blood boil with his sly grins and the way we kicked eyes Secretly since I got here I had been fantasizing about him We were no longer stepsiblings but partners romantically There was no other man that had treated me like that but as luck would have it Bentley was taking me on a surprise trip
