A Family Secret Harry Brooks,2005-03-14 A Family Secret is a fast moving novel that takes the reader from the streets of South Philly to the backroom gambling joints of Atlantic City in the early forties to the most Mafia infested politically corrupt city in the world Las Vegas It is the story of two half brothers who each follow different career

paths One becomes a successful Las Vegas casino owner while the other ends up in the Mafia The authors use of sharp street dialogue makes the characters as real as a royal flush A Family Secret is a gritty sometime humorous story that keeps the reader wondering what will happen next You will meet all kinds of interesting characters in the book People like Fat Lenny Little Pussey and Eddie the hat Weisberg who is more like somebodys old grandfather than a Jewish Gangster The main character Goldy is the essence of every young mans dream Handsome rich and as cool as a winter night And Bobby Cippolini Goldys half brother a careless cocky young Italian who answers only to the face he sees in the mirror A Family Secret is a story about people as much as it is about gambling and the mob It is a beguiling and sometime witty love story that keeps the reader in suspense until the very end R E V I E W S on Amazon com Absolutely outstanding book I found myself immersed in the characters lives because of the author s incredible attention to detail The characters were very well developed and it incorporated aspects of business the underworld and family in a realistic portrayal of Mafia life The plot kept me guessing I couldn t put it down Very highly recommended as it is now one of my favorite books Stephanie Cohrac Grand Rapids MI This book was one of a kind A real pageturner It really paints a perfect picture on how life really was back then A must read A big fan Jason Nissan The story takes you through a realistic portrayal of what it was like to be a wise guy in South Philly The story flows well and the characters are well developed to give the reader a visualization of the story The author is currently unknown but won t be after people get a copy of this book A must read Daniel Halpern State College PA I was pleased to read a story that was true to life No phony characters or make believe wise guys The author knew what he was doing A great read Can see this as a movie Florida Mike Mike the Man Florida *The Complete Book of Money Secrets* Boardroom Reports, Inc,1997 Power, Politics, and Tradition in the Mongol Empire and the Īlkhānate of Iran Michael Hope,2016-09-29 This study provides a new interpretation of how political authority was conceived and transmitted in the Early Mongol Empire 1227 1259 and its successor state in the Middle East the lkh nate 1258 1335 Authority within the Mongol Empire was intimately tied to the character of its founder Chinggis Khan whose reign served as an idealized model for the exercise of legitimate authority amongst his political successors Yet Chinggis Khan s legacy was interpreted differently by the various factions within his army In the years after his death two distinct political traditions emerged within the Mongol Empire the collegial and the patrimonialist Each of these streams represented the economic and political interests of different groups within the Mongol Empire respectively the military aristocracy and the central government The supporters of both streams claimed to adhere to the ideal of Chinggisid rule but their different statuses within the Mongol community led them to hold divergent views of what constituted legitimate political authority Michael Hope s study details the origin of and the differences between these two streams of tradition analyzing the role that these streams played in the political development of the Mongol Empire and the lkh nate and assessing the role that ideological tension between the two streams played in the events leading up to the division of the lkh nate Hope demonstrates that the policy and identity of both the Early Mongol

Empire and the lkh nate were defined by the conflict between these competing streams of Chinggisid authority **Rejected**
