Presbyterian Survey, 1929 **Research in the Social Scientific Study of Religion** Joanne Marie Greer, David O. Moberg, Monty L. Lynn, 2001-04-01 Various articles are presented covering psychological sociological and cross cultural topics or relevance to religious spiritual researchers and academics *The Steward* Douglas John Hall, 2004-07-21 The biblical image of the steward is highly provocative and even revolutionary In recent years environmentalists and peace marchers have been discovering the radical potential of the stewardship motif while the church sadly has muffled this symbol's power in ecclesiastical wrappings So writes Douglas John Hall in the first edition of *The Steward* 1982 This provocative book has been so much in demand all over the world that Hall has completely rewritten revised and expanded his work adding new material and deleting dated references Yet Hall has kept his original book's basic format the same in this new and improved edition In short Hall aims to recapture the most basic meaning of the biblical metaphor of the steward and to apply that meaning to our social context one in which human beings are confused and ambivalent about their place and

vocation in a threatened world Working from numerous angles biblical historical sociological theological and ecclesiastical Hall explores the rich meaning and implications of stewardship Scripture portrays the steward as a caretaker and servant Hall compares scriptural teaching on stewardship concentrated in Jesus parables with the role of stewardship in the church's history maintaining that ever since the fourth century the church's understanding and practice of stewardship have been distorted by its alliance with institutional power Hall also puts forth apocalyptic warnings about the fate of the earth unless we heed the call to be stewards of the creation work for world peace and justice and nurture life in its many forms The church around the world says Hall urgently needs to live as steward it is a matter of death and life *The Pastor As Church Leader and Educator* Herbert W. Byrne, 2006-10 *Research in the Social Scientific Study of Religion, Volume 7*, 2021-11-22 The purpose of this book is to provide an outlet for original research articles examining the role and value of religious and spiritual constructs across the social sciences The aim of the series is to include an international and interfaith voice to this research dialogue An effort is made to be interdisciplinary and academically eclectic The articles in each volume represent a wide array of perspectives and research projects Most of the articles report the findings of quantitative or qualitative investigations but some deal with methodology theory or applications of social science studies in the field of religion and some are applied demonstrating the relevance of the social sciences to religious organizations and their clergy The value of the volume is that it gives to researchers in this area a broad perspective on the issues and methods of religious research across a spectrum of academic disciplines The aim of the book is to stimulate a creative integrative dialogue that will enhance interdisciplinary research **Plain Talk about Churches and Money** Dean Hoge, Patrick McNamara, Charles Zech, 1998-11-01 Based on extensive research this volume offers insight and help on the key fiscal topics confronting church leaders today including Why is the church so uneasy with the topic of money Is there a difference between stewardship and fundraising How can we motivate giving Should we invest church funds It tackles the resistance fears and difficulties about money common in congregations The book is must reading for lay leaders and anyone in pastoral ministry today *Yours Lord* Michael Wright, 1992-01-01 Christian stewardship has changed and grown into a much broader and richer vision of grateful response to God for all creation This book helps us with our attitude to money lifestyle and generosity gives guidance on making a mission statement coping with change personal appraisal and action It is backed by the Council of Churches for Britain and Ireland Christian Stewardship Network the Christian Stewardship Committee of the Central Board of Finance of the Church of England the Archbishop of the Church in Wales the Moderator of the General Assembly of the Church of Scotland the General Secretary of the Baptist Union the Moderator of the General Assembly of the United Reformed Church the Territorial Commander of the Salvation Army and the Secretary of the Methodist Stewardship Organisation **African Churches Ministering 'to and with' Persons with Disabilities** Nomatter Sande, 2022-08-30 This book engages with Christian church traditions and disability issues in Africa focusing on Zimbabwe in particular It critically reflects on how the

church has not done much to intentionally minister to and with persons with disabilities In the context of this volume ministering to is concerned with creating worshipping space for persons with disabilities while ministering with is connecting and identifying with persons with disabilities to meet their needs from the material life of the church The author considers a stewardship model of disability as an appropriate ministerial response to transform lives in poverty stricken postcolonial contexts The argument put forth is that the church is a living organism endowed with spiritual and material resources and that these resources should be appropriated to marginalised stakeholders

The Home Base of American China Missions, 1880-1920 Valentin Rabe,2020-03-17 During the closing decades of the nineteenth century approximately two dozen Protestant mission societies which since 1812 had been sending Americans abroad to evangelize non Christians coordinated their enterprise and expanded their operations with unprecedented urgency and efficiency Ambitious innovations characterized the work in traditional and new foreign mission fields but the most radical changes occurred in the institutionalization of what contemporaries referred to as the home base of the mission movement Valentin Rabe focuses on the recruitment of personnel fundraising administration promotional propaganda and other logistical problems faced by the agencies in the United States When generalizations concerning the American base require demonstration or references to the field of operations China the country in which American missionaries applied the greatest proportion of the movement s resources by the 1920s is used as the primary illustration

Craver,Kelly Malone,2021-03-01 Leadership in Small Churches inspires and equips men and women who are called to serve in churches of less than 100 people which are the majority of churches in the United States Small churches in the United States suffer from a lack of leadership On the one hand there is a shortage of leaders On

the other hand leaders who serve faithfully sometimes feel ill equipped to carry out their calling due to inadequate training especially a lack of training specific to small churches This volume provides guidance from scholars and practitioners with experience in small churches Because of their experience in and commitment to ministry in small churches these writers are well qualified to discuss the breadth of topics in this book These topics include developing vision handling conflict pastoral care preaching discipleship ministry to youth and children missions and identifying and training leaders **Entrusted with the Gospel** Andreas J.
