and me along teaching us the ways of the woods and how not to cook We had an absolute blast As Dad said We don t have a lot of money but we have a lot of fun The cabin became my favorite place on earth too Given a choice I d take a weekend at the cabin over Christmas I can t wait for the day you fellas do the driving he d say sucking on a smoke steering his latest jalopy up the crumbling old roads I ll just relax look out the window and watch the woods go by I m really looking forward to that Twenty years later on his sixty third birthday February 6 1979 he got his wish but I was the only driver My brothers wisely chose not to come I thought we d have a great time snowshoeing swapping stories around the wood stove but I never factored in his drinking Saturday night drunk he challenged a group of reviled snowmobilers at the Deer Head Inn and barely escaped with his life So much for our glorious weekend After his untimely death at 73 his youngest son Graham took over the cabin That didn t last long directly across our road a huge new house was built spoiling our serenity wrecking our wilderness and Graham was gone now at long last the place was mine Like Dad I started bringing my kids up Would they feel the same magic Dad and I felt there years before
