Worked Solutions

The IUPAC Worked Solutions have been developed through the collaboration of teachers working in Departments of Education, Catholic Education and associations of independent schools of VCE. Providing workbooks provides the Department of Education.

The Worked Solutions are intended to support the Chemical understanding and problems solving skills of the IUPAC VCE Chemistry Year 12 students, teachers and problems.

In an endeavour to provide the highest quality publications, the IUPAC Worked Solutions were written and edited by different teachers. This book not guarantee that all answers are correct. Teachers are advised to check through solutions with their students. If any, and have them in the book they are added to the workbooks by the IUPAC by email address.

The IUPAC Worked Solutions are a great example of teachers bringing teachers for their students and all students.
