were and continue to be an endless source of fascination What kind of person was capable of writing such songs Fagen has always kept his true self hidden behind walls of irony confounding most journalistic enquiries with a mixture of obscurity and sarcasm Nightfly cracks open the door to reveal the life behind the lyrics and traces Fagen s story from early family life in suburban New Jersey to his first encounter with Walter Becker at Bard College their long struggle for recognition as songwriters and the formation of Steely Dan The band s break up in 1981 re formation in 1993 and Fagen s parallel solo career are covered in detail Author Peter Jones seeks to explain the public s continuing fascination with Fagen s music both in collaboration with Becker and as a solo artist
