Stella For Christmas Office Fantasy Desires:

Stella for Christmas Jack Ryder, 2014-02-19 I never thought a married old fart like me would ever stand a chance with Stella Stella is everything a man could ask for As the I T administrator in the company she is smart and accomplished She is graceful and always observes proper etiquette in all her dealings Her smoldering looks are the icing on the cake slender and perfect in every way Peter is the company s Vice President He s 20 years older than Stella not to mention married with kids Certain he has no chance with her he is content with his fantasies and her company in their daily meetings Things change on Christmas Eve when Stella asks Pete to be his date Unable to resist Stella s charm and dealing with trouble in his marriage anyway Peter says yes But this simple office party turns into so much more when a drink is drugged and spies are sent to follow Pete and Stella s moves Can their attraction and desire survive the menace of an unknown enemy For mature audiences only Sample 1 Stella is the very best I T Administrator that I had ever met She is so savvy in her duties that she is the one everyone turns to with any computer problem that arises throughout the 14 story facility that is our travel agency I am the Vice President of Research and Acquisitions with my office on the top north west corner of the building I remember the first time I saw Stella as if it were yesterday I nearly fell out of my high back oversized leather office chair At 6 foot 1 she is the tallest woman I had ever met Her slender body seemed perfect in every way Her Skirt was at a decent length but it was tight enough to show off her lovely round ass Her shapely muscular legs seemed to go on forever and the sheer silk stockings with the seams up the back practically gave me a woody as I gawked at her Sample 2 I need a date for the party Pete think Nancy would lend you out for a night She had a silly grin on her face She knew full well Nancy was gone She was fully aware that there had been words before she left that there was a wall growing between us I noticed that Stella was not wearing her blazer today The way her perky nipples were pressed into her blouse it was clear that she was not wearing a bra I felt a wiggle between my legs as I gawked at her pointy erectness I don t know if that would be wise I was surprised how hoarse my voice sounded as I answered her Come on Pete I won t bite too deep she giggled it as she swung herself into the oversized chair This time she pulled her legs up into the chair sideways Although her skirt was still covering her front I could very clearly see her entire ass against the soft dark leather seat My dick was fully erect within seconds The soft flesh of her pure white ass made me want to feel it in my hands feel my cock engulfed in it to the hilt Ok Stella I ll be your date I was shocked that I had said it The word date struck a guilt deep in my heart I ll be your escort I corrected myself Necessary People Anna Pitoniak, 2019-05-21 A propulsive chilling novel exploring the dangerous fault lines of female friendships Lee Child Necessary People deftly plumbs the limits of ambition loyalty and love One of them has it all One of them wants it all But they can t both win Stella and Violet are best friends and from the moment they met in college they knew their roles Beautiful privileged and reckless Stella lives in the spotlight Hardworking laser focused Violet stays behind the scenes always ready to clean up the mess that Stella inevitably leaves in her wake After graduation Violet moves to New York and

lands a job in cable news where she works her way up from intern to assistant to producer and to a life where she's finally free from Stella's shadow. In this fast-paced world Violet thrives and her ambitions grow but everything is jeopardized when Stella, envious of Violet's new life, uses her connections, beauty, and charisma to get hired at the same network. Stella soon moves in front of the camera, becoming the public face of the stories that Violet has worked tirelessly to produce, and taking all the credit. Stella might be the one with the rich family and the right friends, but Violet isn't giving up so easily. As she and Stella strive for success, each reveals just how far she'll go to get what she wants, even if it means destroying the other person along the way.
