I can't help it. Haven't been able to for the last couple of years and constantly pushing her away is wearing on my last nerve. Claiming her might tear our family apart but she's always been my Bookworm ever since my dad started dating her mom and they finally decided to get married. I've always been protective of Lily. Years ago she was a cute kid who needed a big brother to look out for her. Now she's not so little but just as adorable and I still want to look out for her. Want to do a whole lot more than that. I came home from college the Thanksgiving right after she turned eighteen and spent the whole week hiding an inconvenient boner. I should be ashamed of my feelings but it's not like we're really related. God, I wish I didn't feel this way. But it's too late now. Those long long legs haunt my dreams. I want to feel them wrapped around my waist while she reads to me from one of those filthy books she reads on the sly. My little Bookworm has her secrets just like I have mine. Tricked By My Stepbrother Hayes. My stepsister called not an hour ago begging me to pick her up from some Halloween frat party her friends dragged her to and then promptly ditched her and would I pretty please not tell anyone where she was. Our little secret. One of dozens between us after all these years. I've been back in town from my final deployment for less than a day but the brat knew I'd never tell her no. I swear she put herself into a bad situation on purpose just to get my attention. The thing she doesn't know is she's always had my attention. She's my Shortcake. Mine to protect. Mine to love. Mine to teach a lesson. Should've known she'd find a way to turn this around on me and it would come back to bite me in the ass. This Halloween romance is full of delicious tricks and treats with no cheating no sharing no cliffhanger and no other woman man drama. It has a sticky sweet guaranteed happily ever after. Kiss It Better. Wyatt Sadie is going to murder me if she finds out I'm faking my injury and I wouldn't even blame her. I've been a gigantic pain for days now. It wasn't intentional not at first but the minute she got railroaded into being my nurse my mind filled with dirty images of her giving me a sponge bath. Fluffing my pillows. Running her fingers through my hair as she checks for a temperature kissing it better. I'm usually not sneaky like this but I've been in love with the girl since we were kids and she's been avoiding me for months. Ever since she made her drunken confession. The next day I got a short text message with an apology and a promise to never bring up the incident again. Never bring up the fact she's crazy about me too. I think not. She can't run away this time. She's trapped alone with me for two whole weeks. Anything could happen. Anything will happen if I get my way. Dear Reader this is a short extra steamy romance with no cheating no sharing no other man woman drama and a guaranteed sticky sweet happily ever after. Obsessed cinnamon roll hero. Mutual pining. Innocent sassy heroine. Football romance. Sleeping Beauty vibes. Possessive hero. Small town.
