The Rhetoric of Lincoln's Letters Marshall Myers, 2018-07-26 Lincoln's letters have been cited in countless biographical and critical works yet have received little scholarly attention as a whole This comprehensive study reveals his letters to be fundamental to understanding his development as a writer Early on he employed Hugh Blair's popular idea of developing taste in written documents and carefully studied the letters of his contemporaries He wrote more than 5000 of his own As he became more proficient he employed more sophisticated rhetorical strategies to deal with political opponents

imperious generals and critics of his policies **The Story of Young Abraham Lincoln** Wayne Whipple,2019-11-19 In The Story of Young Abraham Lincoln Wayne Whipple meticulously chronicles the formative years of one of America's most revered presidents. Written in an engaging narrative style that blends historical accuracy with imaginative storytelling, this book weaves together personal anecdotes, folklore, and documented events from Lincoln's early life. Whipple's work is situated within the larger context of 20th-century American literature, where biographical narratives aimed at younger audiences became a means to instill civic values and a sense of national identity, making Lincoln's humble beginnings accessible and inspirational to readers of all ages. Wayne Whipple, a dedicated historian and educator, draws on extensive research and a passion for American history to craft this compelling biography. His background as a teacher likely influenced his desire to present Lincoln not just as a historical figure but as a relatable human being. Whipple's ability to narrate complex themes of resilience and morality through the lens of youth provides an educational yet entertaining perspective on Lincoln's character development. I wholeheartedly recommend *The Story of Young Abraham Lincoln* to both educators and general readers seeking to understand the early experiences that shaped Lincoln's extraordinary life. Whipple's lucidity and narrative flair will resonate with those interested in history as well as young readers embarking on their journey through America's rich past.

Adventure, 1917 The 'halfpenny marvel' library, 1903 Payback Kristin Harte, 2021-02-02 Exactly the testosterone ride I needed today. A quick action-packed romance that starts with a fire and burns even hotter. Kira Gold, author and RITA award finalist. In a town called Justice, there's nothing to fear except a man willing to break all the rules for the woman he craves. As a former Green Beret, I know how to follow orders and obey rules. I've learned to be patient, to look at a situation from every angle, and to live by a code of honor. Most men know nothing about that. But when a motorcycle club puts a target on not just my hometown but the five-foot nothing blonde who unknowingly holds my heart in her hands, obeying the law takes a back seat to keeping my woman safe. I've never had something so precious to protect, and I've never been willing to cross so many lines to get a job done. My need to destroy those who threaten Shye could cost me my home, my freedom, and my life, but I'd sacrifice it all to save her. **PAYBACK** is a full-length contemporary romantic suspense novel from USA Today bestselling author Ellis Leigh, writing as Kristin Harte. It's the first book in the Vigilante Justice series, featuring stories of very good men doing very bad things to protect those they love. This book has it all: Suspense, family, devotion, love, and how sometimes you will risk it all, even your life, for the one that has hold of your heart. **Loved, Loved, Loved** Melissa Marino, author of the **Bad Behavior** series Lincoln and His World Richard Lawrence Miller, 2014-01-10 Based on deep consultation of seldom-examined primary sources, this third volume in Richard Lawrence Miller's massive Lincoln biography follows Lincoln's long effort to win a seat in Congress, his activity there, and his return to Illinois, chastened by his Washington experience. Topics include Lincoln's anti-slavery efforts in Congress, the popularity of his stance against the Mexican War, which, contrary to common belief, didn't significantly harm his political reputation, his support of Zachary Taylor's presidential campaign, and his

subsequent efforts to win a patronage job from the Taylor White House his political activities after returning to Illinois and his generally happy home life with Mary and his sons Throughout the work a new portrait emerges of Lincoln as a canny politician making his own luck by striking swiftly and strongly when opportunities arose *The Shadow Mask* Lin Oliver, Theo Baker, 2013-01-01 Leo Lomax the Sound Bender returns in this globe trotting sequel Leo is back in New York and things are worse than ever His Uncle Crane has isolated him from his friends pulled him from his school and is keeping him under near constant surveillance When a strange mask once owned by his father begins to draw Crane s attention however Leo is presented with a devil s bargain If he helps Crane find the mask s other half he can return to his life and his friends To sweeten the deal Crane will even pay for a fact finding mission to check out Leo s parents plane crash There s just one catch In order to find the mask Leo will have to travel across the world and take it from its rightful owners *The Forbidden Series Box Set* Suzana Thompson, 2021-06-17 Get both books in this enemies to lovers series Book One Heartless My best friend s crush is going to be my stepbrother I can t stand him but now I have to live with him It s a good thing that I m not attracted to him because that would make everything so much worse Book Two Breathless Cade wants a second chance but Lexie doesn t want to get burned again Her attraction to him is just as strong as ever and he knows it He ll use every dirty trick in the book to win but Lexie has learned how to play his game too *Moderator-topics* , 1908 *Enslaved* Parker Daniels, 2023-01-06 The Vikings are coming and Lady Marra of Ravensworth has the great misfortune of being directly in their barbarous path When Lady Marra is banished to an abbey by her greedy stepfamily she realizes life is not only unfair but tis cruel as well Little does she know the answer to her problem is sailing directly into Whitmore s harbor in the form of a fierce heavily armed and tattooed army Ivar Vargr is headed for England and once he gets there he sees more than land that he wishes to conquer Spotting a raven haired beauty in nothing but a thin shift along a craggy shoreline the warlord will soon discover that his destiny lies in this lush country in more ways than one Believing Odin has fated this encounter the Viking warrior decides to subdue both the land and the intriguing mystery woman Ivar s instincts tell him he should enslave this English lady and use her for his desires Only it won t just be her body that he ultimately claims It will be her heart as well
