[The Twisted Gentleman](#) Victoria Sparks, 2015-07-24 A Stepbrother Romance I needed some major discipline in my life. For years, I'd grown up in an unhappy family with my mother and stepfather who treated me like garbage and set up a highly dysfunctional household around us. There was one person, though, who seemed to love me more than anyone in the world: my stepbrother. He would have given me the shirt off his back if I'd asked for it. But while he was working to better himself, slowly building up an empire that would eventually make him a billionaire, I was wasting my life with my cruel and unloving high school sweetheart, Ryan, stuck in the muck of my unhappy existence. It took a pregnancy scare for me to step back and question what I was doing with myself, and I decided from that point on, and with the help of my stepbrother, that I was going to start making some major changes to my life. But first, that would require a visit to my stepbrother's mansion and some discipline involving a blindfold and whips. This is a stand-alone Contemporary New Adult Romance novel. No cliffhanger. Content suitable for mature readers; contains sexual content and harsh language.
