Steely Dan Updated and revised for 2018 Walter Becker and Donald Fagen a couple of cynical New York jazz fans wormed their way into a record contract and astonished critics with their first album *Can't Buy a Thrill* in 1973 Nine albums later they were among the biggest selling acts in the world Steely Dan were different from the rest of rock's super sellers They rarely gave interviews and after some early bad experiences on the road they refused to tour They didn't have their photographs taken and few people knew what they looked like Steely Dan weren't even a proper group it was two musicians and a producer yet every top notch player in the world lined up to appear on their albums This book penned by Brian Sweet the editor and publisher of *Metal Leg* the UK based Steely Dan fanzine finally draws back the veil of secrecy that surrounded Walter Becker and Donald Fagen Here is the story of how they made their music and lived their lives *Not Dumb, Not Blonde: Dolly In Conversation* Dolly Parton, Randy Schmidt, 2017-10-26 Born in poverty in Tennessee Dolly Rebecca Parton had ambition and determination in spades Her first single the ironic Dumb Blonde launched the now legendary career of a singer songwriter with a pure country voice and a gift for story telling Smart as a whip Dolly Parton shrugged aside the male dominated world of Nashville to command her own destiny creating huge business enterprise in the process She owns Dollywood theme park and other hospitality venues she has hosted her own television programs and appeared in films with Jane Fonda Burt Reynolds and Sylvester Stallone her Imagination Library project sends free books to children all over the world For Dolly dreams are everything and nothing you gotta roll your sleeves up and get stuck in Collating interviews and encounters with Dolly Parton from 1967 onwards *Not Dumb Not Blonde* proves just that As in her songs she is unfailingly entertaining frank and feisty These are the words of an artist and performer who beneath the bravado is deadly serious about her music and career and this duality proves to be a touching insightful and joyous read *Tom Petty: Rock 'n' Roll* Guardian Andrea M. Rotondo, 2014-02-12 Tom Petty Rock n Roll Guardian is the first intimate portrait of one of rock's most enduring figures Songs like American Girl The Waiting and I Won't Back Down have touched people from all walks of life because he sung about what he knew love won love lost and hardship overcome Tom Petty's predisposition to find trouble was always matched by his steely determination to overcome it After shaky beginnings with his first band Tom Petty steered his way through bankruptcy drama and personal loss including the deaths of his bandmates Roy Orbison George Harrison and Heartbreakers bassist Howie Epstein to forge a lasting impact on the world selling more than 80 million records worldwide In the wake of his death this celebratory Omnibus Enhanced edition now features curated Spotify playlists of his early influences his collaborations and his greatest songs Additionally an interactive Digital Timeline of his life charts his uncertain path with video footage of interviews live performances and more Born too late to be in the vanguard of rock n roll first time round he has nonetheless proved a truly memorable keeper of the flame This is his remarkable story *The Black List, Part 1* D.D.K., 2019-06-17 This epic masterpiece of literature tells the story of one man's musical and personal journey It is told and written as an autobiography **Without Frontiers: The Life & Music of Peter Gabriel** Daryl

Little Girl Blue: The Life of Karen Carpenter Randy Schmidt, 2012-03-07 Karen Carpenter was the instantly recognisable lead singer of the Carpenters. The top selling American musical act of the 1970s they delivered the love songs that defined a generation. Karen's velvety voice on a string of 16 consecutive Top 20 hits from 1970 to 1976 including Close to You, We've Only Just Begun, Rainy Days and Mondays, Superstar and Hurting Each Other propelled the duo to worldwide stardom and record sales of over 100 million. Karen's musical career was short only 13 years. During that time the Carpenters released 10 studio albums, toured more than 200 days a year, taped five television specials and won three Grammys and an American Music Award. But that's only part of Karen's story. As the world received news of her death at 32 years of age in 1983 she became the proverbial poster child for anorexia nervosa. Little Girl Blue is an intimate profile of Karen Carpenter, a girl from a modest Connecticut upbringing who became a Superstar. Based on exclusive interviews with nearly 100 friends and associates including record producers, studio musicians, songwriters, television directors, photographers, radio personalities, classmates, childhood friends, neighbours, personal assistants, romantic interests, hairdressers and housekeepers, this thorough and affectionate biography of a singer who's been constantly undervalued by the music industry. MOJO Schmidt cannot be faulted: carefully factual, sensitively pitched book. The Word. The first truly convincing account of her nightmarish story. The Guardian
