This device also assisted in keeping constant census of this species. The project was derived by my love for nature as I saw biodiversity was gradually depredating through illegal poaching of the wild animals in the park. As I had earlier mentioned, I am multi-talented. I am talented in swimming, singing, playing football and riding. Am competitive enough to use these talents to represent the university in various competitions and bag various trophies for the university. I am talented in both song writing, singing as well as in performing art, therefore by being admitted to university of California I will be of great importance to the university drama and music club.
