Marker-Assisted Breeding in Legumes for Drought Tolerance Muhammad Azhar Nadeem, Faheem Shehzad

Baloch, Filippas Bantis, Sajid Fiaz, Muhammad Aasim, 2025-05-16 This contributed volume highlights cutting edge breeding techniques in legumes specifically targeting drought tolerance It examines the challenges faced and explores future perspectives for achieving sustainable legume production The dual challenges of a rapidly growing global population and climate change impose immense pressure on agricultural systems to meet current and future food demands Climate change significantly threatens agriculture causing substantial yield losses due to biotic and abiotic stresses with drought being one of the most severe environmental factors impacting plant productivity Water which constitutes approximately 80 95% of the fresh biomass of plants is vital for various physiological processes including plant growth development and metabolism Legumes second only to cereals in global food production account for 27% of world primary crop production and fulfill 33% of protein requirements Cultivated across diverse climates and soil types legumes contribute to over 35% of global vegetable oil production However drought remains a major yield limiting factor in grain legumes a challenge expected to intensify in the future Drought adversely affects legumes at all growth stages disrupting germination through malfunctioning enzymes like proteases and amylases nutrient uptake due to reduced water use efficiency growth by inhibiting cell division and leaf expansion and yield formation by restricting photosynthesis Given these challenges the scientific community is focusing on

developing drought resistant legume cultivars to ensure future food security This volume consolidates research efforts on advancing drought tolerant legumes using marker assisted breeding techniques This book will serve as a valuable resource for students researchers and breeding professionals engaged in legume breeding for drought tolerance By fostering advancements in sustainable agriculture this volume aims to contribute to global food security and empower stakeholders in addressing climate change induced agricultural challenges

Advances in Phytochemistry, Textile and Renewable Energy Research for Industrial Growth Charles Nzila, Nyamwala Oluoch, Ambrose Kiprop, Rose Ramkat, Isaac Kosgey, 2022-04-06 The International Conference on Phytochemistry Textile Renewable Energy Technologies for Sustainable Development ICPTRE 2020 was hosted by the World bank funded Africa Centre of Excellence in Phytochemicals Textile and Renewable Energy ACEII PTRE based at Moi University in conjunction with Donghua University China and the Sino Africa International Symposium on Textiles and Apparel SAISTA The theme of the conference was Advancing Science Technology and Innovation for Industrial Growth The research relationships between universities and industry have enabled the two entities to flourish and in the past have been credited for accelerated sustainable development and uplifting of millions out poverty ICPTRE 2020 therefore provided a platform for academic researchers drawn from across the world to meet key industry professionals and actively share knowledge while advancing the role of research in industrial development particularly in the developing nations The conference also provided exhibitors with an opportunity to interact with professionals and showcase their business products technologies and equipment During the course of the conference industrial exhibitions research papers and presentations in the fields of phytochemistry textiles renewable energy industry science technology innovations and much more were presented

Text and Context Melanie Baffes, 2018-10-24 As biblical hermeneutics moves increasingly toward the inclusion of vernacular approaches to the text understandings of the Bible based on culture context and human experience many communities of faith around the world are contributing their voices to the conversation of global Christianity This volume explores reading methods and text interpretations of believers in South Africa the Caribbean Spain the Netherlands the United States India Kenya Fiji Japan the United Kingdom New Zealand and Nigeria revealing the ways various faith communities read the Bible contextually Essays in this volume also illustrate the impact of the biblical text in people s lives on their understandings of oppression identity the plight of refugees decline and loss the relationship between church and society imperialism homelessness restorative justice bodily experiences of the Holy Spirit and time and the future Together these writings provide an in depth sense of how global Christians read the Bible through the lens of their own tradition or culture as well as how the Bible informs all aspects of their lives as they read the world biblically

Kenya Telephone Directory, 2002 **Applied Safety for Engineers** B.S. Dhillon, 2021-12-28 Global competition and other factors are forcing manufacturers to produce highly safe engineering systems and products This book meets the needs for product designers systems engineers and safety engineers that work together and need a single resource

which considers all three areas when designing new products and systems that they can refer to Applied Safety for Engineers Systems and Products serves as a comprehensive resource offering a wide range of safety topics when involved with product design engineering system analysis and engineering maintenance Examples along with their solutions are placed at the end of each chapter to test reader comprehension The book facilitates the importance for product designers safety and systems engineering professionals to work closely during the product design phase so they can understand each other s discipline Written in a manner that readers do not need any previous knowledge on the subject the book offers many sources for further reading at the end of each chapter This book will be useful to product designers system engineers safety specialists graduate and senior undergraduate students researchers and manufacturers industrial engineers safety engineers and engineers at large

Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International Associations,2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events

The Statesman's Yearbook 2008 B. Turner,2017-01-12 The 2008 edition of The Statesman s Yearbook contains information and analysis on every country in the world including biographical profiles of current leaders government histories economic overviews and maps Every copy comes with a single user licence giving access to the full text online updated regularly and fully searchable

An Ethic of Hospitality Emily Jeptepkeny Choge,2020-07-30 In our increasingly xenophobic world countries are turning away refugees and immigrants Based on the situation in Kenya this book offers a countercultural ethic of hospitality and welcome to the stranger an ethic fraught with dangers and yet filled with great opportunities for transforming our world Drawing on the scriptural pilgrim motif and specifically on the book of Hebrews this study paints a picture of refugees not only as needy strangers to be herded into camps but as brothers and sisters who bring with them treasures and talents that can enrich our understanding of our Christian identity and mission as pilgrims in the world The hospitality practice seen in Hebrews offers hope and promise not only for refugees themselves but also for the pilgrim church Like the ancient heroes of faith portrayed in Hebrews we too live as pilgrims and aliens who await with hope the city whose architect and founder is God Refugees in fact teach us how to live our pilgrim identity they become teachers not only for the church in Kenya but also for the body of Christ worldwide

The Statesman's Yearbook 2009 B. Turner,2017-01-12 This edition is fully updated and contains more information and analysis than ever before A foldout colour section provides a political world map and flags for all 193 countries Each copy comes with online access to the full text at no extra cost Unlimited user upgrades are also available for libraries who wish to network the data

Darfur Genocide Alexis Herr,2020-03-06 This important reference work offers students a comprehensive overview of the Darfur Genocide with roughly 100 in depth articles by leading scholars on an array of topics and themes and more than a dozen key primary source documents Stretching beyond Darfur to situate Sudan within the scope of its African colonial human rights and genocidal history this reference work explores every aspect of the Darfur Genocide Covering hundreds of years this book explores the

religious ethnic and cultural roots of Sudanese identity making and how it influenced the shape of the genocide that erupted in 2004 As the first reference guide on the Darfur Genocide this text will enable readers to explore an array of critical topics related to the atrocities in Sudan The book opens with seven key essays collectively providing an overview of the genocide its causes and consequences international reaction and profiles on the main perpetrators victims and bystanders These are followed by entries on such crucial topics as the African Union child soldiers the Janjaweed and the Lost Boys and Girls of Sudan Leading scholars offer perspective essays on the primary cause of the Darfur Genocide and on whether the conflict in Darfur is a just case for intervention Expertly curated primary documents enrich readers ability to understand the complexity of the genocide

The Genocide-Ecocide Nexus Damien Short,Martin Crook,2022-02-09 In a world gripped by an ever worsening ecological crisis there are present and increasing genocidal pressures on many culturally distinct social groups such as indigenous peoples This is where the genocide ecocide nexus presents itself The destruction of ecosystems ecocide can be a method of genocide if for example environmental destruction results in conditions of life that fundamentally threaten a social group s cultural and or physical existence Given the looming threat of runaway climate change the attendant rapid extinction of species destruction of habitats ecological collapse and the self evident dependency of the human race on our bio sphere ecocide both natural and manmade will become a primary driver of genocide Through nine chapters of cutting edge research this book examines specific case studies in geographical settings such as Iraq Sudan Nigeria and Brazil to highlight and analyse the crucial connections and vectors of the genocide ecocide nexus This book will be of great value to scholars students and researchers interested in the ecological crisis Environmental Justice the political economy of genocide and ecocide as well as environmental human rights The chapters in this book were originally published as a special issue of The Journal of Genocide Research

The Medical Directory ... ,1961

Handbook of Children's Risk, Vulnerability and Quality of Life Habib Tiliouine,Denise Benatuil,Maggie K. W. Lau,2022-07-30 This handbook makes a major contribution to the growing international research and policy interest in children s experienced well being or quality of life in childhood linking it to ongoing research on children s risk and vulnerability The editors and contributors adopt the broader concept of risk in addition to vulnerability Not much work considers the connections between risks that children experience and their quality of life In examining children s quality of life the chapters discuss various issues of risk and vulnerability that may affect their lives and also how the quality of childhood might be enhanced and maintained even in the face of these factors The chapters discuss experiences of violence and abuse access to basic services such as housing health and education and children s vulnerability due to broader external factors such as war conflict and environmental events The volume also includes the impacts of new technologies on children and the consequent risks and vulnerabilities they may face alongside the benefits This important volume brings together a diverse range of perspectives from established experts and emerging scholars in these fields of work It covers a wide range of geographical and cultural contexts and includes theoretical

empirical policy and practice based contributions This handbook is a natural first point of reference for academics and policy professionals interested in quality of life well being and children s rights **Kenya Post Box & Bag Directory** ,2001
International Christian Literature Documentation Project: Author-editor index, corporate name index ,1993
