Reading Coetzee's Women Sue Kossew, Melinda Harvey, 2019-07-24 This is the first book to focus entirely on the under researched but crucial topic of women in the work of J M Coetzee generally regarded as one of the world s most significant living writers The fourteen essays in this collection raise the central issue of how Coetzee s texts address the woman question There is a focus on Coetzee s representation of women engagement with women writers and the ethics of what has been termed his ventriloquism of women s voices in his fiction and autobiographical writings right up to his most recent novel *The Schooldays of Jesus* As such this collection makes important links between the disciplines of literary and gender studies It includes essays by well known Coetzee scholars as well as by emerging scholars from around the world providing fascinating and timely global insights into how his works are read from differing cultural and scholarly perspectives

Halvorsen: Sharing Knowledge, Transforming Societi, 2023-01-10 In June 2016 the Norwegian Programme for Capacity Development in Higher Education and Research for Development Norhed hosted a conference on the theme of knowledge for development in an attempt to shift the focus of the programme towards its academic content This book follows up on that event The conference highlighted the usefulness of presenting the value of Norhed s different projects to the world showing how they improve knowledge and expand access to it through co operation A wish for more meta knowledge was also expressed and this gives rise to the following questions Is this way of co operating contributing to the growth of independent post colonial knowledge production in the South based on analyses of local data and experiences in ways that are relevant to our shared

future Does the growth of academic independence as well as greater equality and the ability to develop theories different to those imposed by the better off parts of the world give rise to deeper understandings and better explanations Does it at least spread the ability to translate existing methodologies in ways that add meaning to observations of local context and data and thus enhance the relevance and influence of the academic profession locally and internationally This book in its varied contributions does not provide definite answers to these questions but it does show that Norhed is a step in the right direction Norhed is an attempt to fund collaboration within and between higher education institutions We know that both the uniqueness of this programme and ideas of how to better utilise the learning and experience emerging from it call for more elaboration and broader dissemination before we can offer further guidance on how to do things better This book is a first attempt

Cape Town and the Cape Peninsula Post 1806 Teresa Strauss,1989 *The Stellenbosch Mafia* Pieter du Toit,2019-07-15 About 50km outside of Cape Town lies the beautiful town of Stellenbosch nestled against vineyards and blue mountains that stretch to the sky Here reside some of South Africa s wealthiest individuals all male all Afrikaans and all stinking rich Johann Rupert Jannie Mouton Markus Jooste and Christo Weise to name a few Julius Malema refers to them scathingly as The Stellenbosch Mafia the very worst example of white monopoly capital But who really are these mega wealthy individuals and what influence do they exert not only on Stellenbosch but more broadly on South African society Author Pieter du Toit begins by exploring the roots of Stellenbosch one of the wealthiest towns in South Africa and arguably the cradle of Afrikanerdom This is the birthplace of apartheid leaders intellectuals newspaper empires and more He then closely examines this club of billionaires Who are they and crucially how are they connected What network of boardroom membership alliances and family connections exist Who are the old guard and who are the inkommers and what about the youngsters desperate to make their mark He looks at the collapse of Steinhoff what went wrong and whether there are other companies at risk of a similar fate He examines the control these men have over cultural life including pulling the strings in South Africa rugby

Pursuing Justice in Africa Jessica Johnson,George Hamandishe Karekwaivanane,2018-10-31 Pursuing Justice in Africa focuses on the many actors pursuing many visions of justice across the African continent their aspirations divergent practices and articulations of international and vernacular idioms of justice The essays selected by editors Jessica Johnson and George Hamandishe Karekwaivanane engage with topics at the cutting edge of contemporary scholarship across a wide range of disciplines These include activism land tenure international legal institutions and postconflict reconciliation Building on recent work in sociolegal studies that foregrounds justice over and above concepts such as human rights and legal pluralism the contributors grapple with alternative approaches to the concept of justice and its relationships with law morality and rights While the chapters are grounded in local experiences they also attend to the ways in which national and international actors and processes influence for better or worse local experiences and understandings of justice The result is a timely and original addition to scholarship on a topic of major scholarly and

settlement It also challenges Romantic ideals of authorship as an autonomous creative act and the literary text as an aesthetically unified entity Collaborating with Prince on the History s publication impacted Moodie s and Pringle s attitudes towards slavery and shaped their own accounts of migration and settlement Engaging Men and Boys in Violence Prevention Michael Flood,2018-11-07 Across the globe violence prevention initiatives focused on men and boys are proliferating rapidly Engaging Men and Boys in Violence Prevention highlights effective and innovative strategies for the primary prevention of domestic violence sexual violence and other forms of harassment and abuse It combines research on gender masculinities and violence with case studies from a wide variety of countries and settings Through the cross disciplinary examination of these varied efforts this work will enable advocates educators and policy makers to understand assess and implement programs and strategies which involve men and boys in initiatives to prevent violence against women

Recalibrating teacher training in African higher education institutions Sifiso Sibanda,Gideon (Deon) P. van Tonder,Washington T. Dudu,2023-03-01 This book critically examines the role of governments in promoting parity during and in post pandemic education This comes from the realisation that the pandemic has deepened the crisis by depleting the meagre resources that African countries might have devoted to normative educational practices where those on the margins would have been pushed further behind while the privileged would have been further initiated into the cultural and capital flows of private schools and historically research intensive institutions of higher learning This has far reaching implications for the education of underprivileged citizens and education particularly modes and modalities of delivery has to be reimagined to subvert the challenges wrought by the pandemic This book significantly bridges the gap between the pre and post COVID 19 pandemic pedagogical practices and the erstwhile modalities that have been resilient over time The book focuses on ways to stave off pedagogical challenges that face countries as the global pandemic makes its mark **Proud Boys and the White Ethnostate** Alexandra Minna Stern,2019-07-16 What is the alt right What do they believe and how did they take center stage in the American social and political consciousness Historian Alexandra Minna Stern excavates the alt right memes that have erupted online and digs to the root of the far right s motivations their deep seated fear of an oncoming white genocide that can only be remedied through aggressive action to reclaim white power The alt right has expanded significantly throughout America s cultural political and digital landscapes racist sexist and homophobic beliefs that were previously unspeakable have become commonplace normalized and accepted endangering American democracy and society as a whole When asked to address the Proud Boys and growing far right violence President Trump directed the group to stand back and stand by and just two weeks before President Joe Biden s inauguration a white supremacist mob breached the US Capitol earning praise from the Proud Boys leader amongst threats of future violence In order to dismantle the destructive movement that has invaded our public consciousness and threatens American democracy we must first understand the core beliefs that drive the alt right Through careful analysis Stern brings awareness to the underlying

concepts that guide the alt right and its overlapping forms of racism xenophobia and transphobia She explains the key ideas of red pilling strategic trolling gender essentialism and the alt right s ultimate fantasy a future where minorities have been cleansed from the body politic and a white ethnostate is established in the United States By unearthing the hidden mechanisms that power white nationalism Stern reveals just how pervasive the far right truly is **Developmentalism, Dependency, and the State** Christopher Hope, 2020-08-17 Why does Namibia s economy look the way it does today Was the reliance on raw materials for exports and on the service sector for employment an inevitability And for what reasons has the manufacturing sector the vehicle for economic development for many now high income countries throughout the 19th and 20th centuries seen its growth held back With these questions in mind this book offers an extensive analysis of industrial development and economic change in Namibia since 1900 exploring their causes trajectory vicissitudes context and politics Its focus is particularly on the motivations behind the economic decisions of the state arguing that power relations both internationally and domestically have held firm a status quo that has resisted efforts towards profound economic change This work is the first in depth economic study covering both the colonial and independence eras of Namibia s history and provides the first history of the country s manufacturing sector
