The Golden Ticket Irena Smith, 2025-07-30 What do we as parents really mean when we say we want the best for our children Irena Smith tackles this question from a unique vantage point as a former Stanford admissions officer a private Palo Alto college counselor and a mother of three children who struggle to find their place in the long shadow of Stanford University Written as a series of responses to actual college essay prompts this witty raw memoir takes the reader from the smoke filled lobby of the Hebrew Aid Society in Rome where Irena and her parents await asylum with other Soviet refugees in 1977 to the overpriced house she and her husband buy in Palo Alto in 1999 to the hushed inner sanctum of the Stanford admissions office Irena grows a successful college counseling practice but struggles to reconcile the lofty aspirations of tightly wound competitive high school seniors and their anxious parents with her own attempts to keep her family from unraveling as one by one her children are diagnosed with autism learning differences depression and anxiety And although she doesn't initially understand her children or how to help them she will not stop stumbling and learning until she figures it out The Golden Ticket opens a much needed conversation about extreme parenting the weight of generational expectations and what happens when Gen X dreams meet unexpected realities It's a sharp eyed depiction of hard won triumphs and of the messy challenging parts of parenting you won't see on Facebook or Instagram Above all it's an invitation to embrace a broader more generous definition of success

Write Yourself In Eric Tipler, 2024-06-11 Write authentic memorable college essays that will help you get into the right school for you with this guidebook from a veteran college admissions expert Every spring over one million high school juniors embark on an annual rite of passage applying to college And with college admission rates at an all time low getting into a competitive school is now tougher than ever At the top schools a strong transcript and great test scores will get your application noticed but it's your essays and the personal story that they highlight that will get you admitted But often students don't know where to start Teens fret over topics because they don't know what college admissions officers are looking for They bend over backwards to write what they think colleges want to read instead of telling their authentic story which is what admissions officers actually want in a way that will resonate with their readers They also struggle because college essays which are narrative first person and introspective require a different set of skills from academic expository writing they've been learning for years in the classroom Seasoned college admissions expert and educator Eric Tipler has seen this firsthand Teens and their parents spend countless anxiety filled hours crafting and refining essays that are often lackluster In Write Yourself In Tipler meets students where they are and provides comprehensive

actionable advice in a warm and conversational tone He demonstrates how to craft a winning essay one that is authentic vulnerable and demonstrative of qualities like personal growth and emotional maturity Instead of formulas Write Yourself In gives students step by step processes for brainstorming outlining writing and revising essays It encourages them to seek out feedback at key points in the process something Tipler has found to be vital to helping students produce their best writing Further the book includes sidebars that teach essential components of good storytelling a secret weapon in the admissions process In addition to the admissions essay Write Yourself In also covers the most common supplemental essays on topics like community diversity openness to others viewpoints and why their school is a good fit for the student scholarship essays as well as scholarship essays Tipler includes sections that address current topics like the widespread use of ChatGPT and the discussion of race in the admissions essay a facet of the student s application that will have newfound importance given the Supreme Court decision on affirmative action Written with both the parent and teen in mind Write Yourself In is the go to handbook for writing a great college essay

The Hope And Vision Of J. Robert Oppenheimer Michael A Day, 2015-09-15 Michael Day's insightful philosophical biography of J. Robert Oppenheimer stands out from other works on the so called father of the atomic bomb by its focus on the post war period and by the depth of its philosophical engagement with his humanistic thought on science and culture. Centaurus Review. Incorporating elements from history science philosophy and international relations theory this book takes a fresh look at the life and thought of Robert Oppenheimer. The author argues that not only are Oppenheimer's ideas important engaging and relevant but also more coherent than generally assumed. He makes a convincing case that Oppenheimer has much to say about 21st century issues and his voice should be brought back into the public forum. The book recovers and reconstructs what Oppenheimer said and wrote during the 1940s 50s and 60s i.e. his hope and vision with the goal of identifying what might be of general philosophical interest today. It considers not only Oppenheimer's thought but also his life using philosophical ideas developed by contemporary philosophers. In addition to deepen and broaden the discussion and demonstrate the relevance of Oppenheimer's vision for the present the author analyzes his views using contemporary international relations theory with a special emphasis on nuclear nonproliferation and disarmament. This examination reveals ways in which Oppenheimer's reasoning was prescient of current work being carried out to control and possibly move beyond the nuclear revolution.
