Unizulu Time Table

Felix Maringe,Otilia Chiramba

Unizulu Time Table:

Unizulu ,1990 **South African Accounting Education Stocktake** Jaco Fouchè,Nico van der Merwe,2020-04-07 This book is intended to take stock of the current state of accounting education with a specific emphasis on the South African situation It provides a critical overview of the current published research and identified gaps Through this it aims to equip accounting academics with information and tools to motivate them to research the field of accounting education to improve teaching and learning It also aids in the identification of suitable research topics in this regard and highlights potential pitfalls in researching accounting education The book therefore focuses on accounting educators as specialists in their respective disciplines Different authors with a keen interest in a specific area relating to accounting education research wrote each chapter in this book It forms a planned collective work assembled by appropriately qualified and experienced scholars in the accounting education field which generates a new conceptual synthesis that advances scholarship of accounting education research since no such synthesis currently exists for accounting education research in South Africa

Utilisation of South African Research on Higher Education Jan Botha ,Gabriele Vilyte,2021-10-26 The relationship between research on the one hand and policy practice on the other hand is complicated and collaboration between scholars in research on higher education RHE and institutional research IR practitioners is often lacking This book marks a collaborative effort of a diverse range of South African RHE and IR scholars and asks the overarching questions What do we know about the utilisation of South African research on higher education SARHE and its subset of research known as Institutional Research How and by whom is this research used The book begins by looking at the historical underpinnings of SARHE and delineating the shape and size of this body of research This is followed by a series of case studies on South African Higher Education institutions and governmental bodies investigating how when and by whom are research on higher education and institutional research used in the decision making of these organisations This book is the first of its kind in South Africa and sets out to lay the groundwork for further research into the use uptake and utilisation of RHE and IR in this country Online Teaching and Learning in the COVID-19 Era Felix Maringe,Otilia Chiramba,2023-11-30 This book

examines the ongoing changes initially caused by the COVID 19 pandemic and the future prospects of teaching and learning in higher education institutions It focuses on the impact of online education on issues of learning equity and epistemic justice The transition from traditional face to face teaching to remote learning has exacerbated existing inequalities in epistemological access among higher education students despite the shortcomings of the former in this regard The book features essays by African academics who reflect on the challenges of epistemological access during the sudden shift to hybrid blended and remote teaching and learning It specifically explores the question of equitable learning in diverse home contexts drawing on both theoretical and empirical studies conducted by the authors in South African universities and the region The chapters employ the conceptual framework of epistemic injustice to define and explore various forms of such

injustice providing a basis for analyzing the implications of the transition to online pedagogy **Who's who of Southern Africa**, 1999 Vols for 1967-70 include as a section Who's who of Rhodesia Mauritius Central and East Africa
