Unspeakable Things Sex Lies And Revolution:

Unspeakable Things Laurie Penny,2014-09-16 Presents an examination of contemporary feminism in a neo capitalist society and calls for a new braver form of feminism motivated by justice freedom and equality for all

Unspeakable Things Laurie Penny,2014-07-03 Shortlisted for the Green Carnation Prize 2014 Laurie Penny one of our most prominent young voices of feminism and dissent presents a trenchant report on our society today and our society tomorrow as she is willing to fight to see it Smart clear eyed and irreverent Unspeakable Things is a fresh look at gender and power in the twenty first century which asks difficult questions about dissent and desire money and masculinity sexual violence menial work mental health queer politics and the Internet Celebrated journalist and activist Laurie Penny draws on a broad history of feminist thought and her own experience in radical subcultures in America and Britain to take on cultural phenomena from the Occupy movement to online dating give her unique spin on economic justice and freedom of speech and provide candid personal insight to rally the defensive against eating disorders sexual assault and internet trolls Unspeakable Things is a book that is eye opening not only in the critique it provides but also in the revolutionary alternatives it imagines

Labor of Love Moira Weigel,2016-05-17 An occasionally amusing and often provocative look at the work of wooing A lively tour of changing romantic mores The Economist Does anyone date anymore Today the authorities tell us that courtship is in crisis But when Moira Weigel dives into the history of sex and romance in modern America she discovers that authorities have always said this Ever since young men and women started to go out together older generations have scolded them That s not the way to find true love The first women who made dates with strangers were often arrested for prostitution long before hookup culture there were petting parties before parents worried about cell phone apps they fretted about joyrides and parking Dating is always dying But this does not mean that love is dead It simply changes with the economy Dating is and always has been tied to work Lines like I ll pick you up at six made sense at a time when people had jobs that started and ended at fixed hours But in an age of contract work and flextime many of us have become sexual freelancers more likely to text a partner u still up Weaving together over one hundred years of history with scenes from the contemporary landscape Labor of Love offers a fresh feminist perspective on how we came to date the ways we do This isn t a guide to getting the guy There are no ridiculous rules to follow Instead Weigel helps us understand how looking for love shapes who we are and hopefully leads us closer to the happy ending that dating promises

Courting Disaster Zoë McGee,2025-11-04 What do MeToo and Jane Austen have in common More than you might think Ever since the novel was invented women have used it as a platform for sharing ideas about sexual consent Dr Zo McGee reveals how Jane Austen Frances Burney and their now overlooked contemporaries used their stories to try to change society s mind about rape culture and to reassure survivors they were not alone Courting Disaster takes a timely deep dive into a series of classic novels comparing them with both historic court records and current events to show that our arguments about consent are not a new phenomenon With the wit

and wryness of a courtship novel McGee reads between the lines to unveil a quiet feminist movement that still resonates today Because every novel about marriage is also a novel about consent In an era that s clamouring for a return to the values of the past Courting Disaster asks what that would really mean and whether anyone actually liked it back then anyway

Sex and desire in British films of the 2000s Nigel Mather,2021-06-15 This book explores how British filmmakers of the 2000s engaged with the themes of love sex and desire in a wide variety of movies It ranges from powerful contemporary dramas such as Kidulthood Closer and Disobedience to the lighter mood of the Bridget Jones series It also analyses how the lives loves and traumas of historical figures such as Oscar Wilde Sylvia Plath and Iris Murdoch were dramatised on film The book will appeal to literature enthusiasts film students and readers interested in exploring how we may currently live out our hopes fears and dreams in relation to sexual matters and affairs of the heart

Everything Belongs to the Future Laurie Penny,2025-10-16 Everything Belongs to the Future is a bloody minded tale of time betrayal desperation and hope that could only have been told by the inimitable Laurie Penny Time is a weapon wielded by the rich who have excess of it against the rest who must trade every breath of it against the promise of another day s food and shelter What kind of world have we made where human beings can live centuries if only they can afford the fix What kind of creatures have we become The same as we always were but keener In the ancient heart of Oxford University the ultra rich celebrate their vastly extended lifespans But a few surprises are in store for them From Nina and Alex Margo and Fidget scruffy anarchists sharing living space with an ever shifting cast of crusty punks and lost kids And also from the scientist who invented the longevity treatment in the first place The scariest most enduring dystopias walk a fine line between parable and prediction Penny erases that line In this made up story the rich speciate from the poor in our real world

working class lifespans are declining as the one percent live ever longer lives at ever greater removes from the rest of us This is no mere literary device This is a pitiless allegory calculated to enrage and terrify its readers Cory Doctorow At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied Your Orisons May Be Recorded Laurie Penny,2016-03-14 All prayers are answered but sometimes the answer is no And sometimes the answer is let me talk to my manager and get back to you From author Laurie Penny Unspeakable comes the Tor Com Original novella Your Orisons May Be Recorded At the Publisher s request this title is being sold without Digital Rights Management Software DRM applied

A Feminist Manifesto for Education Miriam E. David,2017-05-23 The idea that gender equality in education has been achieved is now a staple of public debate As a result educational policies and practices often do not deal explicitly with gender issues such as sexual abuse harassment or violence Exaggeration of neoliberalism s successes in creating individual opportunity in education conceals ongoing problems and ignores the continuing need for a fair and equal education for all regardless of gender or sexuality In this manifesto for education Miriam David rejects the notion that gender equality has been achieved in our age of neoliberalism She puts the focus back onto issues such as changing patterns of women s and girls participation in education across the globe feminist strategies for policy and legal interventions around human rights and violence against women and children She discusses waves of feminism linked to school teaching and pedagogies in higher education as well as an illuminating case study of an international educational programme to challenge gender related violence Revealing neoliberal education to be misogyny masquerading as metrics Miriam David argues for changes in the patriarchal rules of the game including questioning gender norms and stereotypical binaries and for making personal social health and sexuality education mainstream

Rape Mithu Sanyal,2019-05-14 From Title IX cases on campus to metoo and timesup rape is a definitive issue at the heart of feminism and lately it s barely out of the news Cultural critic Mithu Sanyal is picking up where Susan Brownmiller left off in her influential 1975 book Against Our Will In fact she argues that the way we understand rape hasn t changed since then even as the world has changed beyond recognition She contends that it is high time for a new and informed debate about rape sexual boundaries and consent Sanyal argues that the way we as a society understand rape tells us not just how we understand sexual violence but how we understand sex sexuality and gender itself For instance why is it so hard to imagine men as victims of rape Why do we expect victims to be irreparably damaged When we think of rapists why do we still think of strangers in dark alleys rather than uncles husbands priests or boyfriends The book examines the role of race and the trope of the black rapist the omission of male victims and what we mean when we talk about rape culture She provocatively takes every received opinion we have about rape and turns it inside out arguing with liberals conservatives feminists and sexists alike

Subjects Barbarian, Monstrous, and Wild Maria Boletsi,Tyler Sage,2017-11-20 Subjects Barbarian Monstrous and Wild responds to a contemporary political climate in which historically invested figures of otherness barbarians savages monsters have become common discursive currency Through

questionable historical comparisons politicians and journalists evoke barbaric or primitive forces threatening civilization in order to exacerbate the fear of others diagnose civilizational decline or feed nostalgic restorative projects These evocations often demand that forms of oppression discrimination and violence be continued or renewed In this context the collected essays explore the dispossessing effects of these figures but also their capacities for reimagining subjectivity agency and resistance to contemporary forms of power Emphasizing intersections of the aesthetic and the political these essays read canonical works alongside contemporary literature film art music and protest cultures They interrogate the violent histories but also the subversive potentials of figures barbarous monstrous or wild while illustrating the risks in affirmative resignifications or new mobilizations Contributors Sophie van den Bergh Maria Boletsi Siebe Bluijs Giulia Champion Cui Chen Tom Curran Andries Hiskes Tyler Sage Cansu Soyupak Ruby de Vos Mareen Will *The Hundredth House Had No Walls* Laurie Penny, 2019-09-25 The Hundreth House Had No Walls a Tor.com Original short story from the award winning author journalist screenwriter essayist public speaker and activist Laure Penny The King was bored For five hundred years he had been King of the country of Myth and Shadow and he was a good king if a slightly bewildered one At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied **Scars Across Humanity** Elaine Storkey, 2018-02-20 Acts of violence against women produce more deaths disability and mutilation than cancer malaria and traffic accidents combined How and why has this violence become so prevalent Elaine Storkey offers a rigorously researched overview of this global pandemic exploring how violence is structured into the very fabric of societies and cultures around the world [The New Feminist Literary Studies](#) Jennifer Cooke, 2020-12-03 Presents essays by feminists of theory and literature that examine contemporary feminism and the most pressing issues of today **Queering Femininity** Hannah McCann, 2017-12-04 Queering Femininity focuses on femininity as a style of gender presentation and asks how and whether it can be refigured as a creative and queer style of the body Drawing on a range of feminist texts and interviews with self-identifying queer femmes from the LGBTQ community Hannah McCann argues that the tendency to evaluate femininity as only either oppressive or empowering limits our understanding of its possibilities She considers the dynamic aspects of feminine embodiment that cannot simply be understood in terms of gender normativity and negotiates a path between understanding both the attachments people hold to particular gender identities and styles and recognising the punitive realities of dominant gender norms and expectations Topics covered range from second wave feminist critiques of beauty culture to the importance of hair in queer femme presentation This book offers students and researchers of Gender Queer and Sexuality Studies a fresh new take on the often troubled relationship between feminism and femininity a critical but generous reading that highlights the potential for an affirmative orientation that is not confined by the demands of identity politics **Witch Power** Emma Quilty, 2025-09-04 When most people hear the word witch they immediately think of crones conspiring over a cauldron a force of dark and vindictive power But to hundreds of thousands across the world being

a witch is a living everyday reality much more varied than the fairytale image Witch Power follows Emma Quilty herself a witch and an anthropologist on an immersive journey into contemporary witchcraft from Witchcamp retreats to red tent menstrual events Voodoo priestesses running ghost tours from their vans to TikTokers casting hexes on a viral scale Attentive to the history of witchcraft she reveals the role power plays in how the figure of the witch has changed over time to suit the ever present need to control and demonize women Because to be a witch is to live in defiance of society's expectations and rules But while the witch is always castigated as a threat Quilty finds that the witch is never alone the witch is a survivor and a symbol of resistance Ultimately Witch Power is a provocation and an invitation to readers to experience with the author what it means to embrace witchiness and what witchy feminism could bring to your life **Art, Images and Network Culture** Juan Martín Prada, 2021-01-12 This book addresses the impact that the Internet and new connective technologies have had on the development of contemporary art over the last two decades It deals with a wide range of themes the emergence and key aspects of social media art the issue of online identity as a particular theme within artistic practice the links between digital connectivity and the physical space telepresence teleproxemics augmented reality geolocation etc forms of property and the digital commons the critical thematisation developed by cyberfeminist creativity the transformations in the gaze and the new ways in which images are generated circulated and propagated in a digital context articulated by social media **Community** J. Toby Reiner, 2025-07-04 People often yearn for a sense of belonging and connection they long to live in a meaningful community In the modern age however this often seems to be a chimera Does modernity doom us to be atomised individuals Does the promise of community imply a loss of autonomy and freedom and entrench inequality and hierarchy In this book J Toby Reiner examines the debates surrounding community in modern political and social thought He outlines how liberals conservatives socialists and nationalists have historically conceived of the ties that bind together political communities and how recent political philosophers such as Rawls Taylor Walzer and Sandel have debated the nature and merits of community in the contemporary world He goes on to consider how prominent conceptions of community relate to and are in tension with characteristically modern ideals such as equality and freedom He deftly shows how a meaningful conception of community can be reconciled with the demands of modern liberal societies Filled with real life examples and thought provoking discussions of the key debates this book will be essential reading for students of contemporary political theory and philosophy and of sociology *The Routledge Companion to Literature and Food* Lorna Piatti-Farnell, Donna Lee Brien, 2018-04-19 The Routledge Companion to Literature and Food explores the relationship between food and literature in transnational contexts serving as both an introduction and a guide to the field in terms of defining characteristics and development Balancing a wide reaching view of the long histories and preoccupations of literary food studies with attentiveness to recent developments and shifts the volume illuminates the aesthetic cultural political and intellectual diversity of the representation of food and eating in literature *Unruly Rhetorics* Jonathan

Alexander, Susan C. Jarratt, Nancy Welch, 2018-10-26 What forces bring ordinary people together in public to make their voices heard What means do they use to break through impediments to democratic participation *Unruly Rhetorics* is a collection of essays from scholars in rhetoric communication and writing studies inquiring into conditions for activism political protest and public assembly An introduction drawing on Jacques Rancière and Judith Butler explores the conditions under which civil discourse cannot adequately redress suffering or injustice The essays offer analyses of unruliness in case studies from both twenty first century and historical sites of social justice protest The collection concludes with an afterword highlighting and inviting further exploration of the ethical political and pedagogical questions unruly rhetorics raise Examining multiple modes of expression embodied print digital and sonic *Unruly Rhetorics* points to the possibility that unruliness more than just one of many rhetorical strategies within political activity is constitutive of the political itself
