lie until I am in a position to where I have to tell the truth at least part of it We all know that part of the truth is a whole lie All the lies in my life stem from one big lie NOBODY LOVES ME This is not a book about placing blame It s about me owning my past and being responsible for the catastrophe that I created It s about getting honest with me and claiming my own freedom If I am strong enough to tell my truth I know that I will be a better person I m sure that I will be amazed before I am halfway through
