Up And In:

Up and Over Dave Hadfield, 2011-11-18 Along the way he met the people whose enthusiasm for the game has made it so durable current and former internationals as well as others involved at all levels as well as a few miserable old gits for balance In this intimate account Hadfield observes the way rugby league fits into the history and sociology of towns like Wigan and Castleford with which it is synonymous His record of the journey is in the great tradition of writers from Wordsworth to Laurie Lee who found in long walks the perfect medium to explore and reflect upon their surroundings Up and Over is the definitive book about the game and the local passions it engenders as Hadfield seeks out the poignant and the humorous on a personal journey of discovery For those who follow rugby league it will give a unique perspective on the parts of the world they know intimately for others it will be an introduction to a different world seen via one of the elements that gives it its identity *Catching Up And Falling Behind: Post-communist Transformation In Historical Perspective* David A Dyker, 2004-07-05 In this collection of essays David A Dyker explores some of the most difficult and fascinating aspects of the process of transition from autocratic real socialism to a capitalism that is sometimes democratic sometimes authoritarian The stress is on the economic dimension of transformation but the author sets the economic drama firmly within a political economy framework and a historical perspective Trends in key economic variables are analysed against the background of the struggle between different social and political groups for power and command over resources While the book pays due attention to topical issues like EU enlargement the underlying perspective is a long term one Transition is viewed not as a set of once and for all institutional changes or a process of short term stabilisation but as a historic opportunity to solve the inherited problem of poverty and underdevelopment in Central East Europe and the former Soviet Union The book ends with a critical assessment of how economics as a discipline has coped with the challenge of that historic opportunity *Economic Opening Up and Growth in Russia* Evgeny Gavrilenko, Paul J.J. Welfens, Ralf Wiegert, 2004-01-21 After a decade of sharp economic decline Russia switched to an impressive period of economic growth Yet the economic record is still mixed and many key problems remain unresolved both in the economic sphere and the political system The focus is on economic dynamics in Russia reasons for its hesitant opening up process as well as the special role of the natural resources sector which is expected to continue to grow This analysis highlights the existing deficiencies of the Russian economic system and raises doubts about the sustainability of growth Twin focus is on required reforms and endogenous forces that impair liberalizing trade and investment in an orderly way Russian discussions on WTO and other international topics are reflected Therapy, Stand-Up, and the Gesture of Writing Jonathan Wyatt, 2018-12-07 Therapy Stand Up and the Gesture of Writing is a sharp lively exploration of the connections between therapy stand up comedy and writing as a method of inquiry and of how these connections can be theorized through the author's new concept creative relational inquiry Engaging often poignant stories combine with rich scholarship to offer the reader provocative original insights Wyatt writes about his work

as a therapist with his client Karl as they meet and talk together He tells stories of his experiences attending comedy shows in Edinburgh and of his own occasional performances He brings alive the everyday profound through vignettes and poems of work travel visiting his mother mourning his late father and more The book's drive however is in bringing together therapy stand up and writing as a method of inquiry to mobilise theory drawing in particular from Deleuze and Guattari the new materialisms and affect theory Through this diffractive work the text formulates and develops creative relational inquiry With its combination of fluent story telling and smart theoretical propositions Therapy Stand up and the Gesture of Writing offers compelling possibilities both for qualitative scholars who have an interest in narrative performative and embodied scholarship and those who desire to bring current complex theories to bear upon their research practices Getting Boys Up and Running in the Early Years Julie Cigman, 2016-12-01 Getting Boys Up and Running in the Early Years addresses the fact that boys do less well than girls in all areas of learning in the Early Years and continue to lag behind girls in assessments throughout their school careers This book draws on current research to provide practical advice on ways in which Early Years practitioners can create positive learning environments for all children It explores how best to match provision to all children's learning styles aiding their progress in personal social and emotional development communication and language and physical development Final chapters show how learning in all other curriculum areas can follow in a carefully designed environment Key points explored include the environment we can create to enable both boys and girls to become confident and autonomous learners ways that practitioners can evaluate and enhance provision to improve levels of well being and involvement physical development and the value of active challenging and adventurous play practical ways to stimulate language development planned activities and rich experiences that support holistic learning in an inspiring environment Giving clear guidance on helping boys to meet high expectations in a playful and creative way Getting Boys Up and Running in the Early Years is an essential read for anyone working to create a positive foundation for boys in Early Years education

Yes, You Can Do This! How Women Start Up, Scale Up, and Build The Life They Want Claudia Reuter, 2020-02-14

How women can lean in to entrepreneurship to create the life they want Claudia Reuter left a promising corporate career to raise her two young children but realized when re entering the workforce that the gap in her resume looked like a gap in ambition not a purposeful plan Instead of leaning into a corporate career and fighting the structures and systems designed by and for men decades ago or leaning out and giving up income Claudia took a different path That decision ultimately led to success in the corporate world and at home In *Yes You Can Do This* Claudia shares her own reasons for starting a business and makes a call to action for women to consider entrepreneurship so that they can create businesses with the rules they want and change the playing field for others making a significant impact in the world More than a how to book on building a business *Yes You Can Do This* provides clear examples and practical resources to help others create the life they want through entrepreneurship In *Yes You Can Do This* you ll learn How to develop and share your vision How to deal with stereotypes and unconscious bias How to leverage perceived weaknesses and turn them into strengths How to balance life at high speeds and avoid burnout How to cultivate the confidence to move from idea to creating a company with the culture and rules you want Claudia provides women with an electrifying third career option it s not just lean in or lean out but startup and change the playing field for others in the process Praise for *Yes You Can Do This* It s rare to find a book on entrepreneurship that fuels your heart with inspiration and encouragement and your mind with practical tangible things you can put into action immediately but this is one of them As a woman who has started three companies and been a senior team member of five startups this is the guide I wish I d read when I was starting out Nataly Kogan Author of *Happier Now* and founder of *Happier Inc* Combining compelling storytelling with practical tactical advice Reuter has created a manifesto for the next generation of female founders Rooted in the research around gender and work this is a must read for women looking to launch the next new thing Jennifer McFadden Associate Director of Entrepreneurial Programs Yale School of Management A must read for any woman considering taking the leap into entrepreneurship *You Can Do This* brings together today s best thinking about women in the workplace with practical advice for creating your dream career and life by starting a company Whether you are just curious or ready to take the leap this book is a great read and a valuable resource Anna Barber Managing Director Techstars Claudia helps not just the female entrepreneur but all entrepreneurs find their footing in what can be an overwhelming whirlwind of starting a business This book is not only inspiring and uplifting but positively necessary for any woman looking to find success in the startup space Shira Atkins Co founder CMO Wonder Media Network Stories of entrepreneurial success exist in abundance for men who receive 97 8% of venture funding and hold 95% of CEO

roles What is most inspiring about Claudia's book making me want to shout from the rooftop is that it is told from the perspective of an everyday woman who pushed hard through barriers doubts and setbacks that any entrepreneur would face On top of all that she overcame obstacles that are uniquely ours as women today Claudia is now a standout among women but with her book in hand women who want to build a business to scale have a blueprint and path to do so Here's to making dreams come true Coco Brown CEO and Founder The Athena Alliance As I read through the book there were multiple points where I thought Every man in any startup or fast growing business should read this As a man in technology I took away lots of new ideas along with examples that were explained in a way that I wouldn't have been able to do prior to reading Claudia's book Brad Feld Managing Director at Foundry Group author of Venture Deals and Do More Faster Reuter breaks the stigma about mothers that chose to leave the workforce She provides practical tools to start a business by showing the path to success for every woman that wants to write her own rules Sharon Kan CEO of Pepperlane Co Founder of the WIN Lab Reuter manages to put into words what women have been facing and feeling for decades She leaves the readers with stories steps and inspiration to create the career path they are worthy of no matter if it's starting from scratch or breaking glass ceilings This book will fuel the next generation of women in leadership and entrepreneurship giving them guides and confidence as it has fueled me to start the business I have always wanted Elizabeth Presta CD DONA CLD
