Autonomy ...* University College of Fort Hare, 1970 **A History of the University College of Fort Hare, South Africa, the 1950s** Donovan Williams, 2001 This book examines how staff and students opposed the legislation to place the college under government control and reduce its staff to civil servants The affairs of the college are discussed against the background of rapidly changing conditions in South Africa with campus disturbances and protests sometimes linked to the wider application of apartheid BOOK JACKET

University College of Fort Hare, Etc. (Edited by F.H. Rand.) [With Illustrations.] University College of Fort Hare, F. H. RAND, 1958 **University of Fort Hare** University of Fort Hare. Alice, Keiskama, 1970 **University of Fort Hare** University of Fort Hare, 1984 Transforming Higher Education in Asia and Africa Fred M. Hayward, 2020-03-01 Analyzes twelve strategic planning efforts in higher education in eight countries in Asia and Africa Drawing on over fifty years of on the ground experience Fred M Hayward s *Transforming Higher Education in Asia and Africa* analyzes change processes in higher education in eight Asian and African countries The twelve cases range from the push to upgrade and transform higher education in Afghanistan in the midst of a war to the successful struggle against apartheid in South African institutions as well as thwarted efforts in Sierra Leone and Madagascar Providing both practical lessons learned and hope for communities globally Hayward demonstrates that higher education change and even transformation which is more fundamental and structural can occur even in the most difficult environments Successful transformation requires well crafted strategic and budget plans with careful implementation monitoring and effective leadership at multiple levels Yet also critical are a commitment to human development a desire for freedom and belief in democracy and recognition that high quality higher education is essential to national development This book provides detailed and informative accounts of system transformation policymaking leadership and development in several developing countries These areas are largely neglected in the literature It also provides an account of the value of coordination and planning in developing effective higher education systems and institutions It is clear that the author has long experience and expertise in the topics and regions addressed Brendan Cantwell Michigan State University Inside African Anthropology Andrew Bank, Leslie J. Bank, 2013-04-08 *Inside African Anthropology* offers an incisive biography of the life and work of South Africa s foremost social anthropologist Monica Hunter Wilson By exploring her main fieldwork and intellectual projects in southern Africa between the 1920s and 1960s the book offers insights into her personal and intellectual life Beginning with her origins in the remote Eastern Cape the authors follow Wilson to the University of Cambridge and back into the field among the Mpondo of South Africa where her studies resulted in her 1936 book *Reaction to Conquest* Her fieldwork focus then shifted to Tanzania where she teamed up with her husband Godfrey Wilson In the 1960s Wilson embarked on a new urban ethnography with a young South African anthropologist Archie Mafeje one of the many black scholars she trained This study also provides a meticulously researched

exploration of the indispensable contributions of African research assistants to the production of this famous woman scholar's cultural knowledge about mid twentieth century Africa

South African Urban Change Three Decades After Apartheid Anthony Lemon, Ronnie Donaldson, Gustav Visser, 2021-06-10 This book provides an analysis of South African urban change over the past three decades It draws on a seminal text *Homes Apart* and revisits conclusions drawn in that collection that marked the final phases of urban apartheid It highlights changes in demography social as well as economic structure and their differential spatial expression across a range of urban sites in South Africa The evidence presented in this book points to a very complex set of narratives in urban South Africa and one that cannot be reduced to a singular statement so the conclusions of the various investigations are in many ways open As urban apartheid represented one clear outcome its post apartheid urban legacies varies greatly from city to city As such this book is a great resource to students and academics focused on urban change in South African cities since the demise of apartheid and scholars of urban policy making in South Africa and Southern urbanists generally
