A Constitutional History of the Kingdom of Eswatini (Swaziland), 1960-1982 Hlengiwe Portia Dlamini,2019-09-25 Swaziland recently renamed Eswatini is the only nation state in Africa with a functioning indigenous political system Elsewhere on the continent most departing colonial administrators were succeeded

by Western educated elites In Swaziland traditional Swazi leaders managed to establish an absolute monarchy instead qualified by the author as benevolent and people centred a system which they have successfully defended from competing political forces since the 1970s This book is the first to study the constitutional history of this monarchy It examines its origins in the colonial era the financial support it received from white settlers and apartheid South Africa and the challenges it faced from political parties and the judiciary before King Sobhuza II finally consolidated power in 1978 with an auto coup d tat As Hlengiwe Dlamini shows the history of constitution making in Swaziland is rich complex and full of overlooked insight for historians of Africa **Journal of Education** ,1914 **The Journal of Education** ,1900 The People's Zion Joel Cabrita,2018-06-11 Joel Cabrita tells the story of Zionism which began in a utopian community near Chicago in 1900 Its faith healing spiritualism uplifting pan racialism and missionary zeal resonated with marginalized urban working class whites and blacks in both the United States and Southern Africa Today Zionism is Southern Africa s largest religious movement

Language Policy and Planning in Universities Anthony J. Liddicoat,2018-10-18 In a world where higher education is increasingly internationalised questions of language use and multilingualism are central to the ways in which universities function in teaching research and administration Contemporary universities find themselves in complex linguistic environments that may include national level language policies local linguistic diversity an internationalised student body increasing international collaboration in research and increased demand for the use and learning of international languages especially English The book presents a critical analysis of how universities are responding these complexities in different contexts around the world The contributions show that language issues in universities are complex and often contested as universities try to negotiate the national and the international in their work In some contexts universities language policies and the ways in which they are implemented may have a negative impact on their ways of working In other contexts however universities have embraced multilingualism in ways that have opened up new academic possibilities for staff and students Collectively the chapters show that universities language policy and planning are a work in progress and that much further work is needed for universities to achieve their language goals This book was originally published as a special issue of **Current Issues in Language Planning** **Resources in Education** ,1994-10 **Into the House of the Ancestors** Karl Maier,2008-05-02 Experience Africa s vibrant and volatile struggle at the crossroads between tradition and modernity INTO THE HOUSE OF THE ANCESTORS Rich fascinating The New York Times Book Review A master of eyewitness description and of the telling interview Maier has unearthed Africa s hidden heroes and heroines Financial Times Maier has written a sensitive and complex narrative excellent descriptions of the lives and experiences of both ordinary and extraordinary individuals in different parts of Africa Richard Leakey The Times London A remarkable book It is no easy task to articulate an intangible undercurrent in an area so geographically large and culturally diverse but Maier has succeeded admirably Maier gives us hope that the Africans can rebound and even thrive Highly recommended Library Journal *New Scientist and*
