

Botho University Fee Structure for Programmes in Campus Learning mode of study - Botswana

Most of Botho University programmes follow a credit-based tuition fee structure. Every programme consists of modules worth a specific number of credits. The number of credits for any module is available on www.bothouniversity.com under each programme. 60 credits per semester is normal full-time load. The tuition fee for a module for credit-based programmes is thus obtained by multiplying the module credits by the fee per credit (for e.g.: - if the module is 10 credits the fees payable per module for an Undergraduate programme will be $10 \times 420 = P4200$). The tuition fee for a programme can thus be obtained by adding the fees for all the modules, calculated as explained earlier.
