Serole Selina Ramapela

University Of Tshwane Prospectus 2016:

The Informal Economy in Developing Nations Erika Kraemer-Mbula, Sacha Wunsch-Vincent, 2016-10-20 The informal economy represents a significant share of output and employment in many developing countries Yet little is known about this hidden engine of innovation This pioneering study addresses some crucial questions including what is the role of the informal sector in economic development How does innovation occur in the informal economy How does it spread who are the key actors and what impacts does it have How do inventors and entrepreneurs in the informal economy reap benefits from their innovations What stops informal sector innovation from scaling up How can informal sector innovation in developing countries be measured And what policies might support informal sector innovation and improve its impacts This book will stimulate further work on this crucial but under researched subject As well as rich empirical evidence from several groundbreaking studies it includes conceptual and methodological tools and policy recommendations to help researchers and policy makers understand innovation in the informal economy **Prospectus** Tshwane University of Technology, 2005

Handbook of Research on Administration, Policy, and Leadership in Higher Education Mukerji, Siran, Tripathi, Purnendu, 2016-09-27 The creation of a sustainable and accessible higher education systems is a pivotal goal in modern society Adopting strategic frameworks and innovative techniques allows institutions to achieve this objective The Handbook of Research on Administration Policy and Leadership in Higher Education is an authoritative reference source for the latest scholarly research on contemporary management issues in educational institutions and presents best practices to improve policies and retain effective governance Addressing the current state of higher education at an international level this book is ideally designed for academicians educational administrators researchers and professionals 2016-2018 **Prospectus** Yaba College of Technology.
