University Of Cape Coast Admissions 2015 2016:

The Report: Ghana 2022 Oliver Cornock, Ghana is the first African country to achieve independence from British colonial rule and is widely known for its natural resources such as cocoa as well as its inland water sources Several measures have been taken to balance government revenue and spending and the country remains a safe haven for foreign direct investment which stood at 830m in the first half of 2021 The most recent general elections held in December 2020 were favourably assessed by observers who noted that they represented a continuation of democratic processes Daily Graphic Yaw Boadu-Ayeboah,2005-01-07 **Space Fostering African Societies** Annette Froehlich,2019-12-24 This book provides detailed insights into how space and its applications are and can be used to support the development of the full range and diversity of African societies as encapsulated in the African Union s Agenda 2063 Like previous books in the Southern Space Studies series it focuses on the role of space in supporting the UN Sustainable Development Goals in Africa but it covers an even more extensive array of relevant and timely topics addressing all facets of African development It demonstrates that while great achievements have been made in recent years in terms of economic and social development which has lifted many of Africa s people out of poverty there is still much that needs to be done to fulfill the basic needs of Africa s citizens and afford them the dignity they deserve to this end space is already being employed in diverse fields of human endeavor to serve Africa s goals for its future but there is much room for further incorporation of space systems and data Providing a comprehensive overview of the role space is playing in achieving Africa s developmental aspirations the book is of great interest to both students and professionals in fields such as space studies international relations governance social and rural development and many others *Entrepreneurship and Enterprise Development in Africa* Daniel Agyapong,Rosemond Boohene,2024-03-14 Entrepreneurship and Enterprise Development in Africa presents a timely and compelling account of African entrepreneurship shedding light on the critical part it plays in the continent s economic growth and development It explores the various challenges opportunities and success stories that define the African entrepreneurial landscape and highlights the ingenuity and determination of the continent s entrepreneurial minds Daily Graphic Kingsley Inkoom,2014-09-02 **INTERNATIONAL JOURNAL OF INTEGRATIVE HUMANISM GHANA Vol 10. No 1.** Department of Classics and Philosophy University of Cape Coast, Ghana,2018-11-14 The Journal of Integrative Humanism Ghana is a publication of the Faculty of Arts University of Cape Coast Ghana All papers reports communications and contributions published in this journal and copyright in the same are the property of Faculty of Arts University of Cape Coast Ghana and the University of Calabar save where otherwise indicated **Daily Graphic** Ransford Tetteh,2014-04-04 *Education for National Development* Ghana Academy of Arts and Sciences. Founder's Week Celebrations,2018 State-of-the-Art Indonesia Energy Transition Dinita Setyawati,2023-06-03 This book discusses how people can come together to address current energy justice and access poverty problems by examining the relationship between energy systems and society in

diverse energy sources The novelty of this book is that this is the only complete guide for readers who wish to understand the status of Indonesia's energy transition and renewable energy development Energy programs that are explored are the ones prioritized by government administrations including coal nuclear power solar energy green electricity and geothermal energy Based on extensive fieldwork and empirical data the book combines insights from historical data on energy subsidies and economic diversification current empirical data on social acceptance of new energy technologies and contemporary studies that forecast the implications of the transition to the coal industry and fossil fuel subsidies It asks how Indonesia has enacted policies that support energy transition How do the public and civil society view those policies What are the implications for broader themes and discussions on energy sources technology systems policies and service Strategies are suggested to advance a sustainable transition in the developing world that will mitigate developmental risks associated with the transition away from fossil fuels while encouraging decision making in a sustainable and socially just manner This book is an informative and engaging read for a general audience as well as a valuable resource for scholars researchers and students in environmental and energy studies
