Dark, heavy clouds are visible, with some lighter patches where light breaks through, creating a sense of tension and awe. The colors range from deep blues and greys to lighter, almost white highlights where the light is more intense.

Umbrella of Grace Nancy Winningham, 2025-10-25 Umbrella of Grace A Journey Through Faith

Loss and Resilience is a heartrending memoir that chronicles the author's experience with the sudden death of her husband David and the emotional upheaval that follows. The story begins with the joyful celebration of her son's birthday only for the family's world to be shattered by the devastating news of David's passing. Amid the overwhelming grief, the author finds solace in a moment of reflection when she discovers footprints in the snow. This powerful image serves as a reminder that love, although lost in the physical realm, remains a guiding force in her life. The memoir also delves into the author's past, uncovering the deep-seated childhood trauma of being separated from her mother, which resurfaces with renewed intensity after her husband David's death. This connection between her early experiences of abandonment and her grief allows for profound self-discovery as she begins to understand how these wounds influenced her ability to love and trust. As she confronts the pain of both past and present, she begins to unravel the ways in which her early experiences of loss influenced her ability to form healthy, trusting connections. Ultimately, the memoir becomes a powerful meditation on how the unresolved echoes of childhood trauma affect the ways we love, grieve, and heal in adulthood. Through raw and vulnerable reflections, the author explores the powerful role of faith in her healing journey. She learns that faith offers a steady source of resilience, helping her to face each new day with quiet strength. Ultimately, *Umbrella of Grace* is a testament to the power of love, the importance of faith, and the resilience of the human spirit. It conveys the message that even in life's darkest moments, grace can emerge to guide us, reminding us that faith, loss, and resilience serve as an umbrella of grace during life's storms.

author: nancywinningham@gmail.com *Psalms-OTL* Artur Weiser, 1962. The book is divided into two parts: the first being an introduction in which the author studies the name Psalms, the arrangement of the Psalms, their use, their cultic character, their several types, their origin, and authorship, and finally their collection into the Psalter, presumably in postexilic times. The second part of the book comprises an exegetical study of the 150 Psalms. This exegesis, at once historical, literary, and theological, presents the author's own conclusions, which sometimes coincide with and sometimes differ from the conclusions of other scholars.
